

Married At First Sight

Married At First Sight Chapter 3251-Serenity responded to Abby, "It makes sense, but before Evan makes a decision, you can still fight for it."

Abby smiled and said, "Sister Seren, Sister Jasmine, let's eat hot pot and not talk about men. The husbands of the two sisters are both good men. It's okay to talk about it. It feels very happy. But the man I'm attracted to is not in my heart. Talking about him can easily affect my appetite. Sonny said that food is the most important thing for people. Oh my god, let's eat hot pot."

The two, Serenity and Jasmine, had stopped. They had no way to control Evan regarding emotional matters.

"Sister Seren, Sister Jasmine, my visit here this time is not pointless. I've gained two sisters. Whether Evan and I get any results or not, we are all sisters and friends. The two sisters cannot oppose one another. The face is unrecognizable. Anyway, I've got your thighs locked together; don't try to leave me alone."

Serenity laughed.

Jasmine smiled and said, "You call me sister; can we leave you alone as a sister?"

Abby was very good at coaxing people.

If it weren't for the person chosen by Grandma May, Jasmine would definitely stay away from Abby.

Jasmine said, "That's good. In your life, there is not only love but also friendship and family affection, right? I have friendship and family affection, and I am actually very happy."

Abby: "Yeah. Come, let's have a drink. Oh, I didn't order a drink. You two can't drink. I got drunk last night, and I can't drink anymore. Forget it. After you two give birth to the baby, you can drink. Let's go again and drink together until we get drunk."

Jasmine responded readily: "It's a deal."

“Serenity.” Chelsea suddenly appeared in front of them. “What are you doing here?”

Serenity’s smile disappeared. She didn’t look at Chelsea and just gave Sonny something to eat.

Chelsea smiled sarcastically. “When I went out, I forgot to bring my mobile phone. Now that we finished eating the hot pot and wanted to check out, we realized that we had forgotten our mobile phone, so...”

“Sister Brown, I don’t want to speak too harshly. You are going wherever you come from!” Serenity interrupted Chelsea.

Serenity was a pregnant mother now, and she wanted to be kind to the baby in her belly. She didn’t want to scold Chelsea or say those ugly words.

Chelsea forgot to bring her mobile phone when she went out. Where was her husband? Where were her parents-in-law?

Did they forget to bring their mobile phone?

Lucas and Sonny just said hello. Chelsea was afraid that Serenity and the others would go over to get some food, which would make people laugh to death. Did the eldest young lady of the York family need some food?

Chelsea came to Serenity shamelessly and wanted to borrow money from Serenity to settle the bill. She didn’t know how she had developed such a thick skin.

If Serenity really lent her money, it would be like a meat bun beating a dog, and there would be no return.

Chelsea said coquettishly that she was thick-skinned, but she didn’t dare to make a fuss. She called Sonny twice, but Sonny just looked at her and continued to eat.

Chelsea was silent for two minutes and then left by herself.

Abby was dumbfounded.

Through the conversation between Serenity and Jasmine just now, she had a rough guess.

Unexpectedly, the woman had the nerve to come over to ask Sister Seren to borrow money. She thought the woman wanted Sister Seren to treat her to a meal.

It was the first time for Abby to meet such a superb person, which refreshed her outlook on life.

Chelsea didn't go far before she took out her mobile phone and called her mother.
