

## Married At First Sight

**Married At First Sight Chapter 3270**—“Fourth brother, did you bring a woman home?” River asked directly.

He couldn't smell it wrong. It must be the fourth brother, Evan, who brought the woman home.

“That woman is my future fourth sister-in-law, right? Is she gone?” River asked happily.

Evan couldn't help but say to River, “What's your nose? She has been gone for so long, and you can still smell a little fragrance. I'm not sure whether she is your future fourth sister-in-law. She is not the person Grandma found for me. Now I don't even know her name.”

River smiled and said, “Fourth brother, you don't know what her name is, but you brought her home?”

If his brothers bring girls home, the girl brought back will definitely become his sister-in-law.

Evan was embarrassed to say the real reason. He said, “This is a personal question. I refuse to answer. I'll let you know when I can.”

River chuckled. “I know. Fourth brother, you suddenly called us and invited us to have a midnight snack. In fact, it was you who wanted to treat the girl to a meal. She was gone, so you asked us to come over for a snack.”

“If you don't speak, no one will think you are mute.”

Evan was quite annoyed.

River was his biological brother; otherwise, he would have thrown River out long ago.

So much talk.

Wasn't it okay to see through it without saying it?

“If I don’t speak, others will think I am mute.” River was not afraid of Evan being angry.

Evan was not really angry, just a little angry.

He stared at River.

River pulled Elian and said, “Fifth brother, we have eaten and drunk enough. Let’s go back. Last fourth brother, stare at me.”

After saying that, River got up but first went to the bathroom. As he walked, he said, “I always go to the bathroom after eating porridge.”

Evan: “I suspect you have a kidney problem. You went to the bathroom just a short time after eating.”

Elian said, “He was busy all night and didn’t have time to go to the bathroom. After all, he was young and inexperienced. I just used to guide him and mainly let him do it on his own. We want him to figure out how to solve it on his own. He can’t rely on us for everything. It’s good to give him some advice.”

When River came out of the bathroom, Elian stood up and said to Evan, “Let’s go back first. Fourth brother, you have a rest early.”

Evan said, “River, you drive slower. River, do you hear me? Drive slower.”

He was afraid that River, who was young and energetic, would drive a speeding car.

River said, “I understand. Fourth brother, are you going to cook breakfast yourself tomorrow? I’ll come over to eat.”

Evan said, “You think I’m very free. When your sixth brother, Tatum, comes back, you can ask him to cook for you every day. He will be very happy.”

River said, “Sixth brother said he wouldn’t come back for the New Year. I don’t know when I can eat the delicious food he cooks. Forget it; I’ll eat it at home.”

It wasn’t like he couldn’t cook. As long as he could eat at Evan’s place, he was very happy.

Evan sent his two younger brothers out.

After his brothers drove away, he locked the door of the villa again and went back inside.

There was nothing more to say all night.

The next morning, it rained.

It rained and got colder in the winter.

It was not too cold in Wiltspoon these days, but if it rained, it would make people feel a bit colder.

The weather forecast also said that new cold air has moved southward in the past two days, and the temperature has dropped again. Now it is raining, which is the beginning of the cooling.
