

The Ex Husbands Revenge

The Ex Husbands Revenge Chapter 2929-“No! Uncle, I can’t leave. I’m a member of the Thompsons. Now that our family’s in danger, I can stand aside and leave you!” Angus shook his head.

“What?” “No! Angus, you’re our leader. We can’t risk you.” “You need to leave now!”

Arthur and the other elders were taken aback and they all tried to convince him to leave.

“Uncle, it’s precisely because I’m the head of this family that I can’t leave! If I abandon my own family to save my own life, what right do I have to lead the family?” Angus said with determination.

As a man, there were duties he had to fulfill.

Arthur and the others were his blood and he could not abandon his own family just to survive on his own.

He could not possibly do this.

On top of that, the Thompsons had equal power as the Southern Boss and the Western Boss. Even if he stayed, the Southern Boss may not be able to do much to them and Angus was not worried.

“But,” Arthur and the others were reluctant to give up and they tried to convince Angus.

Before they could say more, the situation took a sharp turn.

“Trying to leave? It’s too late.” Suddenly, a cold sneer sounded.

Four luxurious cars of different models raced toward them and stopped before Angus and the others.

The car doors opened and the Southern Boss, the Western Boss, and seven Farmers strode out.

“Southern Boss! You’re finally here!” Arthur and the others’ expressions darkened.

Though the Thompsons were fully prepared, they were still weary of the Southern Boss and the Western Boss.

“Dad, you’re finally here. Hurry up and save me,” Rodney was overjoyed.

Unable to contain his excitement, he shouted out to the Southern Boss for help.

Now, seeing that Rodney was safe, he was relieved.

Luckily, the Thompsons brought Rodney out with them before he had the chance to take action.

This made it more convenient to rescue Rodney and this worked perfectly for his plan.

Still, Rodney was at the mercy of the Thompsons and the Southern Boss dared not to make any sudden movement.
