

Can Not Win Me Back

Can Not Win Me Back Chapter 2021-They hadn't finished their conversation about the medication when another problem emerged.

Xavier drove Jasper's Rolls-Royce as they sped to the police station, a heavy atmosphere settling in the car.

Cyrus was waiting at the police station, his expression intense.

"Everything was fine. How did Uncle Nathan end up involved in a murder?"

Alyssa asked eagerly.

"We received a report last night that a male body was found in an obscure alley on South Harmony Street in the West City District. He was severely beaten, with many signs of lacerations and heavy impact.

"The victim had a Northern Cardinal badge on his chest. After confirming his identity, it turned out he was a member of The Ivory Gang," Cyrus explained calmly.

Cyrus continued, "The alley is near a high-end membership club. It's usually empty during the day, and guests drive directly into the basement car park at night. No one walks in that alley.

"It was an old lady who was collecting recyclables that found the body due to the stench two days after his death. By then, the body had shown signs of decay, with large rats crawling on it—" "Cyrus, stop!" Alyssa interrupted, her face pale.

"A summary will do. We just had lunch!" Jasper, however, looked intrigued.

"In short, after several rounds of interrogation, Nathan admits to beating the man out of frustration. He denied the allegation of murder. He claimed that the victim was still alive when he left him." Jasper asked seriously, "Cyrus, did the police retrieve Nathan's DNA from the body?" Cyrus furrowed his eyebrows and shook his head. "Not only did we find his DNA, but we also have surveillance footage of the alley. It shows Nathan dragging the victim into the alley, beating him up, and then leaving." Alyssa asked further. "Was the violence caught on camera?" Chapter 2021 1 Cyrus sighed deeply. "The physical evidence is there, even though we have no witnesses. If Nathan were charged with manslaughter, he would likely spend the rest of his life in prison." Alyssa leaned back in her seat, a heavy silence settling in her heart. She didn't believe Nathan was inherently violent, but the evidence was undeniable. He'd beaten the man, leaving him in the alley.

“Nathan manhandled the guy, then left like nothing happened right under the security, camera doesn’t add up.” Jasper squinted, his brow furrowing in doubt.

Alyssa and Cyrus looked at him.

“What do you mean?” Chapter 2021 2 A sharp glint appeared in Jasper’s eyes. “Even if he acted rashly and beat someone to death, Nathan is an experienced man. Why wouldn’t he be afraid for someone to clean up the crime scene? It doesn’t make sense.”

“Jasper, are you saying…” Alyssa blinked and anxiously grabbed his hand resting on his thigh. “Uncle Nathan was framed? Someone entered the alley after him and killed the man?” Cyrus coughed gently, feeling awkward. The couple’s affection for each other often made him feel out of place.

Can Not Win Me Back Chapter 2022-“I don’t think this is something a street thug would do,” Jasper knowingly said as he caressed Alyssa’s neck.

“Cyrus, I think we should investigate the crime scene. Any clues could exonerate Uncle Nathan!” Alyssa’s phone buzzed the moment she finished speaking. It was Colene.

“Colene.” “Lyse, Nathan would never kill anyone! Someone must have framed him!” Colene’s voice trembled with anxiety.

“Colene, don’t panic. We’ll get to the bottom of this.” Alyssa’s heart tightened, but she continued to comfort her gently.

Colene took a deep breath, her voice hoarse from distress. “Nothing can happen to Nathan. Otherwise, the den of thieves he has been holding off would rebel. The Ivory Gang will fall apart if he’s gone!” Alyssa understood the gravity of the matter. The gang members were not interested in business politics; they would charge with guns blazing if provoked.

The call was on speaker, so Jasper heard everything Colene said. His gaze was fierce as he gently reassured her, “Fear not, Madam Colene. The Ivory Gang won’t descend into chaos. Landon has powerful allies. It would be their end if anyone dared to touch a strand of your father’s hair.” “This is a family matter. I can’t possibly trouble Mr. Landon to help. Plus, he is finally enjoying life with Ms.

Lauren. It would be rude to add such trouble to his plate.” Colene’s voice was laced with pain as she continued, “When my father heard Nathan had been arrested, he collapsed. He’s currently hospitalized and still not out of the woods yet. Lyse, I need to be there for him and stabilize The Ivory Gang if necessary.

“I made a promise to Winston years ago that I would focus on being his wife and not meddle in The Ivory Gang’s business. I’m afraid that I have to break that promise now.” Wesley’s bite had severely injured Jameson, requiring him to go to the hospital and get a dozen stitches in his ear.

He was a man who paid great attention to his appearance. Jameson had a handsome delicate face. Unfortunately, he now had an ugly scar on his left ear, and it was wrapped awkwardly too. This was the first time he had ever been so humiliated. With a fit of rage, he smashed everything in the VIP ward. “Have you fed that traitor to the dogs yet?” Jameson stood amidst the chaos, panting and overwhelmed by hatred. “Yes.” Carl felt guilty and respectfully added, “You can trust that I always do a good job.” Carl’s heart tightened, but he kept his face calm. “Mr. Schmidt, I know you’ve always been doubtful of Ms. Altman, and she has let you down before. I’ve looked into it, and this incident has nothing to do with her.” Jameson gritted his teeth and saw “Nicholas Novak” on his screen. He steadied his breath and returned to his usual composed self, though a dark glint appeared in his eyes as he answered.

“Mr. Schmidt, it is done,” Nicholas’ voice sounded on the other end. It’s settled I’ve used my effort to follow Nathan and finally found my chance.

Now, he has been arrested for suspected murder.”
