

## A Man Like None Other Novel Chapter 3951 - 3960

Full Read Online **Chapter 3951** of the novel **A Man Like None Other**

Chapter 3951

“Elder Judge, my junior brother just came here, so he doesn’t know much about the sect’s rules. Please be lenient this time.”

“I’ll let him expose all his realm aura and accept our inspection!”

Wei Qing said, and hurriedly looked at David and said, “Junior brother, quickly release all your realms, don’t hide them anymore. If you want to join the Ziyang Sect, you must be unreserved.”

“Brother, I didn’t hide my realm. I’m now at the fourth level of the Tribulation Realm.”

David said blankly!

He just hid his identity, and his realm was not hidden at all. As for the strength he showed, David had no choice. This was his strength of the fourth level of the Tribulation Realm.

“Little Junior Brother, don’t be stubborn. Hurry up and admit your mistakes. Maybe there is still a chance.”

Qian Xiu also persuaded David!

“Sister, I am really at the fourth level of the Tribulation Realm. If you don’t believe it, I can accept the inspection!”

David said indifferently!

Seeing that David did not admit it, the referee elder snorted and said, “Okay, we will conduct a full body check on you right now. Don’t think you can hide under our investigation.”

After that, several referees surrounded David at the same time, and several people emitted their spiritual consciousness at the same time, covering David!

David did not resist either, and relaxed his mentality, and all the realm auras were emitted!

For a full quarter of an hour, cold sweat broke out on the foreheads of several referees.

But after checking and checking, David was indeed only at the fourth level of the Tribulation Realm!

David did not lie, nor did he hide!

“It’s really strange, he is really only at the fourth level of the Tribulation Realm, and he has not hidden his realm!”

The referee elder said with a puzzled face!

When Wei Qing and the others heard it, they all looked at David in surprise, their faces full of disbelief!

Liu Shitong shook his head and said, “Impossible, he is at the fourth level of the Tribulation Realm, how could he beat me, who is at the eighth level of the Tribulation Realm?”

“This is impossible, this is absolutely impossible. This guy must have some hidden skills to hide the realm aura, so that others can’t detect it!”

Liu Shitong didn’t believe that he would be defeated by a cultivator of the fourth level of the Crossing Tribulation Realm!

“Liu Shitong, although you are now the disciple of the sect master, you don’t have to doubt our strength. We can still find out whether there is a hidden realm or not. Otherwise, we old guys wouldn’t have to be referees.”

The referee elder looked slightly angry and said to Liu Shitong!

“Referee elder calm down, I didn’t mean that...”

Liu Shitong hurriedly apologized!

However, David is indeed at the fourth level of the Crossing Tribulation Realm, which is beyond the expectations of all of them. They all thought that David was in a hidden realm!

“You are not as good as others, so you find other excuses. Do you still have shame?”

“I even doubt how you practiced to the eighth level of the Crossing Tribulation Realm, and whether you used evil skills to get there.”

“People like you don’t practice down-to-earth, but want to ascend to heaven in one step. Even if you are now at the eighth level of the Crossing Tribulation Realm, your strength is not that strong!”

David mocked Liu Shitong!

“You’re talking nonsense!” Liu Shitong’s face flushed: “Guess you’re practicing evil skills!”

“Am I talking nonsense? Then why did you, an eighth-level Tribulation Realm, lose to me, a fourth-level Tribulation Realm?”

“Come and explain to me, it’s not that you are incompetent, or what?”

David said again!

Liu Shitong was so angry that he was going to die. He was the proud disciple of the master of the sect, and he was also a deacon. Now he was humiliated by David, who was not even an outer disciple, in front of so many people. It was a great shame!

“I didn’t lose, who said I lost, do you think I would be defeated by you so easily?”

Liu Shitong roared, and the aura on his body burst out again!

Full Read Online **Chapter 3952** of the novel **A Man Like None Other**

Chapter 3952

“Since you won’t cry until you see the coffin, then I’ll fulfill your wish!”

David smiled faintly!

Seeing this, the referee elder waved his hand and said, “Everyone retreat, the competition continues.”

As the formation slowly opened again, David followed Liu Shitong to fight again on the competition stage!

Liu Shitong gently lifted his hands, and the sky changed color instantly!

Above Liu Shitong’s head, two clouds, one red and one purple, appeared!

Then, from the two clouds, two fires fell directly into Liu Shitong’s palm!

One of the fires was the fire of the Purple Flame Sect, but David couldn’t tell what the lavender fire was!

Everyone looked at Liu Shitong in shock, all with a puzzled look on their faces!

“What kind of fire does Liu Shitong use? How can there be two kinds?”

“It’s so strange. How can he have another kind of fire in addition to the fire of the Purple Flame Sect?”

Many people whispered and discussed!

Even the referee elder frowned!

“This Liu Shitong is just a deacon disciple, but he has actually cultivated the top-secret fire of Ziyamen. It seems that Master Huo really loves him.”

The referee elder gritted his teeth, with obvious displeasure in his eyes!

You know, the lavender fire is the top-secret fire of Ziyamen, and it is also the secret of Ziyamen!

All the disciples practice the red fire, and they can’t touch this lavender fire at all!

They don’t even know that only those who have reached the elder level can touch it!

But even elders can’t necessarily practice the top-secret fire of Ziyamen!

It depends on the situation. Judge elders like them have limited power in Ziyamen!

Although they know the top-secret fire of Ziyamen, they can’t touch it at all and can’t practice it!

But now Liu Shitong is just a deacon disciple, and he has already practiced the top-secret fire of Ziyamen. How can this not make the referee elder angry!

Besides, the origin of the name of Ziyamen also comes from this lavender fire!

But now Liu Shitong actually showed the top-secret fire of Ziyamen in front of many disciples, which is not allowed!

Liu Shitong also knew that he should not show this lavender fire in front of everyone!

But in order to defeat David, he couldn’t care so much!

David looked at the lavender fire in Liu Shitong’s hand, and his heart was full of excitement. This is another kind of fire. If he can absorb it, he will have five kinds of fire!

But in front of so many people, how can David absorb the fire quietly?

You can’t just take the fire and absorb it blatantly!

Just when David was thinking about how to absorb Liu Shitong’s fire, Liu Shitong suddenly put his palms together!

The two kinds of fire collided with each other in an instant, and then an endless flame broke out, swallowing Liu Shitong!

“Ah...”

Liu Shitong screamed miserably, but he didn't struggle at all, letting the two kinds of fire burn in his body!

“Is Senior Brother Liu stupid? Why is he self-immolating?”

“It's incredible. What is he going to do?”

Everyone was shocked to see Liu Shitong like this!

Even David was a little confused. He didn't understand what Liu Shitong was going to do!

Without the two kinds of fire merging, Liu Shitong actually let them collide with each other. Isn't this courting death?

At this moment, half of Liu Shitong's body was wrapped in red flames, and the other half was wrapped in lavender flames!

The two kinds of fire were incompatible with each other and devoured Liu Shitong's body!

Liu Shitong screamed, and a strange breath slowly emanated from his chest.

Along with the emanation of this strange breath, the two kinds of fire that were originally incompatible with each other actually began to slowly merge together in Liu Shitong's chest!

Full Read Online **Chapter 3953** of the novel **A Man Like None Other**

Chapter 3953

“This guy can actually fuse the ultimate fire technique?”

David was shocked when he saw this!

He thought that only the old sect master had the method to fuse the ultimate fire, but he didn't expect that Liu Shitong could also fuse the ultimate fire!

You know, not everyone can refine the ultimate fire, and it is not easy to fuse the ultimate fire!

After the two ultimate fires were fused, the power was obviously much greater!

The flames on Liu Shitong's body turned dark brown, and his whole face was ferocious, looking like a demon!

And on Liu Shitong's chest, strange lines appeared, and a black lotus bloomed!

It seems that Liu Shitong is very strange at the moment!

"Why did this guy suddenly have demonic energy?"

David's eyes were full of surprise!

At the beginning, Liu Shitong had no demonic energy at all, and he couldn't see that he was a demon cultivator at all, but now, this guy actually has demonic energy. Although the demonic energy is not heavy, there is only a little bit, but David still noticed it!

"What's going on? Liu Shitong is not practicing the technique of our Ziyan Sect?"

The referee elder frowned, and he seemed to have noticed something strange about Liu Shitong!

Others were also talking about it. They had never seen this technique, but many people did not realize that Liu Shitong began to have demonic energy!

"Black Demon Lotus, this guy is actually using this method to fuse to the ultimate fire!"

At this time, the Red Cloud Demon Lord spoke up!

"Black Demon Lotus?"

David was stunned!

"The black lotus on this guy's chest is the Black Demon Lotus. This kind of Black Demon Lotus needs to be nurtured in the body. Once the Black Demon Lotus appears, it can fuse everything."

"Just now, this guy used the Black Demon Lotus to fuse to the ultimate fire, not that he himself has the technique to fuse to the ultimate fire."

"However, after the Black Demon Lotus is used, the cultivator will be severely injured and needs to cultivate his body and mind. If things go wrong, he will be swallowed by the Black Demon Lotus."

“I didn’t expect this guy to have the Black Magic Lotus in his body, and he’s still using it at this time. He obviously wants to kill you!”

The Red Cloud Demon Lord said with some surprise!

After all, it’s just a martial arts competition, and there’s no deep hatred. This Liu Shitong used the Black Magic Lotus, and it’s estimated that he’s going to fight for life and death!  
In

this way, this Liu Shitong is really a ruthless character!

“So, this Liu Shitong is not a magic cultivator? He also doesn’t know how to fuse the ultimate fire?” David asked! “Yes, he can do this entirely because of this Black Magic Lotus, but I don’t know where this kid got the Black Magic Lotus from.”

The Red Cloud Demon Lord said! After hearing this, David was relieved. If this guy really knew how to fuse the ultimate fire, David would really be a little difficult to deal with! Now, relying on the ultimate fire fused by the Black Magic Lotus, David is not afraid!

As long as the Black Magic Lotus is destroyed, the two ultimate fires will naturally separate! David can find an opportunity to refine and absorb the lavender ultimate fire! At this time, Wei Qing and the others, looking at Liu Shitong’s sudden change, all broke into a cold sweat for David!

However, David himself looked relaxed. No matter how Liu Shitong performed, he was still an ant in front of him! “Go to hell...” A terrifying aura was surging around Liu Shitong’s body. Looking at the black magic lotus on his chest, Liu Shitong regained his confidence!

He believed that with the blessing of the black magic lotus, he would definitely be able to defeat David! He couldn’t be defeated by a cultivator of the fourth rank of the Tribulation Realm, otherwise he would have no place to stay in the Ziyan Sect, and he would be sprayed to death by spit! Liu Shitong waved his arms, and flames shot out from the black magic lotus on his chest!

Full Read Online **Chapter 3954** of the novel **A Man Like None Other**

Chapter 3954

The dark brown flames turned into fire dragons that wrapped up David!

David did not dodge or evade, and let these fire dragons surround him!

David wanted to try to absorb and refine the lavender fire from

this flame! Since Liu Shitong's fire was not truly fused, David had a chance to absorb and refine it!

If David defeated Liu Shitong now and directly absorbed and refined the lavender fire from his body, he would definitely be discovered and suspected!

Now David could only take the risk to separate the lavender fire from this fused flame!

Fortunately, David had already refined the Purple Flame Sect's fire, so he could distinguish the Purple Flame Sect's fire from this flame, and the remaining was the lavender fire!

However, David did not know that this lavender fire was also from the Purple Flame Sect, but it was the top secret fire of the Purple Flame Sect. Even the deacons and disciples of the Purple Flame Sect did not know it, so how could David know it!

David's indestructible golden body was activated. Because he was surrounded by flames, he did not find David's indestructible golden body, otherwise David's identity would be exposed!

After all, in the entire world of heaven and man, only David can use the indestructible golden body and has golden scales all over his body!

“Junior brother!” “

Little junior brother...”

Seeing David not dodge or evade, and being wrapped in the extreme fire, Wei Qing and Qian Xiu all shouted in shock!

They didn't understand why David didn't dodge, could it be that he couldn't dodge?

In fact, even Liu Shitong himself was a little surprised. He didn't expect that he would control David as soon as he made a move,

and the flames wrapped David! Although Liu Shitong didn't know why David didn't dodge, he still couldn't dodge at all!

But now David is wrapped in the extreme fire, he must not survive!

Liu Shitong sneered, and balls of flames were still shooting out from the black magic lotus!

David was wrapped in flames,

and his expression was still very relaxed! With the indestructible golden body protecting his body and the extremely cold ice flame running, David couldn't feel the slightest heat! Looking at the flames rising around his body, David saw the Purple Flame Sect's Ultimate Fire jumping up, and then began to use the principle of attraction of the same Ultimate Fire, David slowly separated the Purple Flame Sect's Ultimate Fire from the flame!

Soon, in front of David, a ball of lavender Ultimate Fire jumped up, and the Purple Flame Sect's Ultimate Fire had been attracted out!

David opened his mouth without hesitation and sucked the lavender Ultimate Fire into his body!

However, there was too little Ultimate Fire, and there was no way to refine it, so David continued to separate the two Ultimate Fires and absorb them again!

Just as David separated the Ultimate Fire and continued to absorb it, the flames around David actually began to weaken!

Seeing this, David hurriedly put away his indestructible golden body, and then pretended to struggle in pain in the flames!

If Liu Shitong saw that David was unharmed, he would not continue to use the fused Ultimate Fire!

The flames slowly went out!

David was a little embarrassed, and the whole person was half-kneeling on the ground!

His body was still shaking: "What a powerful fire, I didn't expect you to be able to fuse it."

"If I keep burning, I'll turn into ashes!"

Liu Shitong was stunned when he saw David was still alive, but when he heard David's words, Liu Shitong smiled and said, "Boy, now you know how powerful I am, it's too late..."

As he said that, Liu Shitong was about to use the fire again!

"Stop, admit defeat, we admit defeat..."

"Elder referee, we admit defeat, this is just an assessment competition, not a life-and-death fight, we can't let Liu Shitong kill!"

Wei Qing and Qian Xiu saw this and shouted!

They admitted defeat and stopped David from continuing to fight. In this case, if they continued to fight, they would really be reduced to ashes!

“Humph, it’s not a fight between you two, what’s the point of you admitting defeat!”

Liu Shitong snorted coldly!

Full Read Online **Chapter 3955** of the novel **A Man Like None Other**

## Chapter 3955

The referee elder looked at David and asked, “Do you admit defeat?”

“If you admit defeat now, you will not be allowed to participate in the assessment competition within three years!”

“I will not admit defeat, I will never admit defeat, if you have the ability, burn me to death, burn me to ashes!”

David stood up and said arrogantly!

He was going to provoke Liu Shitong to make him burst out the fire without reservation and burn himself!

David was not afraid of Liu Shitong’s fire!

“Little Junior Brother, stop talking, admit defeat quickly, otherwise you will really be burned to death.”

Qian Xiu shouted!

“Junior Brother, don’t be so stubborn!”

Wei Qing looked worried. He didn’t understand why his junior brother was so stubborn!

Just admit defeat, it won’t kill anyone!

“I don’t have any other skills, but I’m stubborn and I won’t admit defeat!”

David raised his head and said arrogantly!

“Okay, then I will burn your mouth and see how long you can be stubborn.”

Liu Shitong was full of anger. After jumping, he crossed his hands in front of his chest.

Soon a large net of flames appeared!

The black magic lotus was trembling slightly, and the fused ultimate fire burst out with a scorching temperature!

If it weren't for the formation to isolate it, it is estimated that the other people would have been burned!

"Referee elder, as a referee, are you just going to watch the disciples in the sect kill each other?"

"If my junior brother dies, this matter will definitely not end, and you will also be blamed."

Seeing this, Wei Qing could only threaten the referee elder to help!

Otherwise, David would really die on the arena!

The referee elder frowned slightly, his expression was very unhappy. After all, he was also an elder, but he was threatened by Wei Qing!

And the referee elder also knew himself. With his strength, if he tried to stop it, he might not be able to stop it!

After all, Liu Shitong was a cultivator with the eighth-grade strength of the Tribulation Realm, and he also refined the top-secret ultimate fire of the Purple Flame Sect!

These ultimate fires, but they, the ordinary elders, had never seen them!

But after thinking again and again, the referee elder still pressed the switch, and the formation was instantly closed!

"Stop..."

Then, the referee elder joined several other referees and attacked at the same time, blocking Liu Shitong's attack!

"Liu Shitong, the winner has been decided, so there is no need to kill him!"

said the referee elder!

Seeing this, David was helpless. If he could scold people, he really wanted to scold the referee elder

for meddling in other people's business! Liu Shitong also frowned. In order to kill David, he did not hesitate to use the top-secret fire and the black magic lotus!

After this battle, Liu Shitong might have to recuperate for a year or two!

He didn't agree to pay such a high price in exchange for David's loss!

What's more, David has not admitted defeat yet.

"Referee elder, the opponent has not admitted defeat yet, do you want to intervene?"

Liu Shitong asked with anger in his eyes!

"Although he didn't admit defeat, everyone can see the result. They are all from the same sect, so there is no need to kill him!"

The referee elder said slowly!

"What if I don't stop?"

Liu Shitong's eyes condensed slightly!

"If you don't stop, then we old guys will have to practice with you, and this matter will be reported to the sect master."

"Although you are the new sect master's favorite disciple, you have broken the rules of Ziyang Sect. Let's see if the new sect master will forgive you!"

The referee threatened Liu Shitong!

This time, Liu Shitong was a little wilted. If he took action again, things would probably get out of hand!

But just when Liu Shitong was about to let David go, David got anxious!

"Who told you to meddle in other people's business? I'm still waiting to knock Liu Shitong down."

"Don't meddle in other people's business. I will never admit defeat even if I die on the martial arts stage."

"....."

David was talking to the chief referee!

This time, the referee elder was really angry!

Full Read Online **Chapter 3956** of the novel **A Man Like None Other**

## Chapter 3956

“Brother, don’t be rude. Why are you talking to the referee elder?”

Wei Qing saw this and quickly scolded David! The referee elder was so angry that his face turned green!

“You ungrateful guy, since you want to compete, then continue to compete!”

The referee elder stepped down directly and restarted the formation! At this time, Wei Qing and Qian Xiu were panicked! Liu Shitong sneered: “Boy, you are really courting death. Since you want to die so much, I will fulfill your wish!” Liu Shitong waved his hands constantly, and the scorching flames flooded the entire arena!

David was delighted and let the flame burn without moving! The more this ultimate fire, the more lavender ultimate fire there is! In this way, David can take advantage of this opportunity to see if he can refine this lavender ultimate fire! David screamed in pain, but his face was full of smiles,

constantly absorbing the lavender flame in the ultimate fire! The scream stopped in Liu Shitong’s ears, which made him excited! “Scream, the louder you scream, the more excited I am...” Liu Shitong was full of pride, and he kept increasing the fire! Wei Qing and Qian Xiu listened to David’s screams, and both of them were anxious! “Hey, this little junior brother is really courting death.

How can a good rich second generation have a problem with his brain?” Qian Xiu sighed! Qian Xiu was tempted by such a rich young man, but it was a pity that his brain was not working well and his mouth was still hard. Isn’t this a complete fool! Wei Qing also sighed, thinking about how to explain to his master!

The assessment of an inner disciple turned into a life-and-death battle in the end! Everyone stared blankly at David being burned by the fire! And David’s screams were very creepy! One incense stick! Two incense sticks! Three incense sticks...

Liu Shitong’s forehead was covered with cold sweat, and the flames erupting from the black magic lotus began to weaken! But David’s voice was still coming out, and he was still screaming!

It’s been so long, but he won’t die,

and he’s still screaming! Although he screamed miserably, there was no sign of weakness, and his voice was still so loud!

“Ah... I’m burning to death, it’s too hot...”

“Don’t burn anymore, I’m dying!”

“If I burn for a while, I’ll be ashes!”

David was surprised that the fire was actually getting weaker, so he screamed even harder!

He hoped that Liu Shitong would hold on for a while longer and not put out the fire so quickly!

Liu Shitong gritted his teeth, and the whole person was going crazy!

But at this time, he didn’t want to give up. It was obvious that David was going to die. If he gave up at this time, wouldn’t all his previous efforts be wasted!

Liu Shitong could only grit his teeth and hold on, but the fire in his body couldn’t hold on for long!

Especially the top-secret fire, Liu Shitong didn’t spend a long time refining it!

Now the lavender fire is almost exhausted, and the black magic lotus can’t hold on any longer!

You know, releasing this black magic lotus also has a huge backlash on Liu Shitong’s body!

It’s been so long now, and Liu Shitong’s body has already suffered serious damage at this moment!

After this battle, Liu Shitong will probably have to recuperate for a long time!

“Damn it, this guy is half burned to death anyway. Even if I can’t burn him to death, I can beat him to death!”

Thinking of this, Liu Shitong took back all the fire!

And David was still screaming, not noticing that Liu Shitong took back the fire.

Everyone saw that David was unharmed, but twisted his body and pretended to shout miserably!

“Burned me to death, this fire is so powerful!”

“My arm is about to be burned off.”

David was still shouting!

Liu Shitong was dumbfounded when he saw this scene!

What's going on?

He suffered backlash and even exposed the top-secret fire of Ziyamen. How come David seemed to be unharmed in the end?

And looking at David like this, it was obvious that he was pretending!

Full Read Online **Chapter 3957** of the novel **A Man Like None Other**

Chapter 3957

The others were also dumbfounded, not understanding what was going on!

Even if David was not burned to death, he should have been burned beyond recognition and covered with scars!

But now looking at David, he has no scars at all, even his clothes are intact!

There is no trace of burning at all!

“Hey, why is the fire gone?”

David reacted belatedly and saw that the fire around him was gone, so he waved at Liu Shitong and said, “Don’t stop, I’m almost burned to death, keep burning!”

“Come on, come on, burn me...”

David looked like he deserved a beating, and provoked Liu Shitong!

“Hahaha, little junior brother is awesome!”

Qian Xiu looked at David and couldn’t help laughing!

The others couldn’t help laughing, and all of them put their eyes on Liu Shitong. They wanted to know what else Liu Shitong could do!

“This boy is not afraid of the fire. No wonder he was so stubborn just now. Is he a genius who practices fire-related skills?”

The referee elder was surprised to see that David was burned for a long time, but he was not injured at all!

Liu Shitong looked at David's provocative look and spurted out a mouthful of blood in anger!

He really didn't understand why he couldn't hurt David even after using the top-secret fire and the black magic lotus!

"Since you are not afraid of the fire, I will kill you with the most primitive means!"

After saying that, Liu Shitong jumped up, and the whole person was like a sharp sword, rushing straight to David!

Since David was not afraid of the fire, he didn't need the fire. Liu Shitong wanted to use the purest physical strength to deal with David!

He didn't believe that David's body could withstand his overwhelming power!

You must know that the higher the realm, the stronger the physical body will be, otherwise it will not be able to withstand such a high realm of practice!

Liu Shitong is in the eighth level of the Tribulation Realm, and his physical strength will definitely be stronger than David, who is in the fourth level of the Tribulation Realm!

David's strength can be compensated by various skills, but the strength of his physical body cannot be compensated by any skills! "You want to fight me in close combat?"

David raised his mouth: "Since you don't need the ultimate fire, there is no need to let you stand!"

David let Liu Shitong stand on the stage in order to absorb the lavender ultimate fire!

Now that Liu Shitong doesn't need the ultimate fire, there is no need for him to be arrogant!

If David wants to defeat Liu Shitong, it's just a matter of raising his hands and feet!

Facing the rapidly approaching Liu Shitong, David stood still until Liu Shitong arrived in front of him, and then he suddenly punched out!

David's fist was wrapped in golden light, and it collided fiercely with Liu Shitong's fist!

Boom!

A terrifying wave of air rushed to the surroundings. It was better to have a formation to block it, otherwise the people around would be unlucky!

After this punch, Liu Shitong's body was like a leaf, flying directly backwards, and at the same time, his entire arm fell down weakly!

Liu Shitong's body fell heavily to the ground, and a large mouthful of blood spurted out of his mouth!

Everyone was stunned on the spot, some of them couldn't believe it!

At first, Liu Shitong was stepped on by David, who said that David used an illusion and was opportunistic!

Later, Liu Shitong used the top-secret fire, but still did not hurt David, thinking that David's body was not afraid of the fire!

But now, using the most primitive power of the flesh, Liu Shitong was still knocked away by David's punch!

This time, what excuse can he find?

Crushing again and again can only show one thing, that is, David's strength is far above Liu Shitong!

Although David looks like he is only at the fourth level of the Tribulation Realm, his real strength is terrifying!

David walked in front of Liu Shitong and picked him up!

Just like picking up a little chicken!

Liu Shitong looked at David in horror, and his body trembled!

Full Read Online **Chapter 3958** of the novel **A Man Like None Other**

## Chapter 3958

No matter what he did, he couldn't defeat David. Now he finally understood that he was not David's opponent at all, and David had never taken him seriously from beginning to end!

As for screaming in the fire, it was just to tease him!

Now Liu Shitong has not noticed that David has absorbed the top-secret fire of Ziyamen!

“Do you think I can become an inner disciple with my strength?”

David asked Liu Shitong!

“Yes, I can. If I lose, you will be an inner disciple now!”

Liu Shitong nodded desperately!

At this moment, Liu Shitong’s eyes were full of fear!

“Since I won, should our bet be fulfilled?”

David asked!

“Bet...bet, what bet?”

Liu Shitong pretended to be stupid!

He didn’t want to call David brother in front of so many people, otherwise he would be too embarrassed!

How would the disciples of this lineage look at him in the future?

David frowned and didn’t say anything, but pinched Liu Shitong’s neck, exerting a little force on his hand, and Liu Shitong suddenly felt that he was going to die!

“I know, I know...”

Liu Shitong begged for mercy: “Don’t kill me, don’t kill me...”

He was really afraid that David would kill him!

David let go of Liu Shitong and said with a faint smile: “Shout...”

“Brother...”

Liu Shitong shouted softly!

“I can’t hear you, your voice is too soft...”

David shook his head!

“Brother...”

Liu Shitong raised his voice, but only David could hear it!

David frowned again, with a sharp look in his eyes! Liu Shitong shuddered and immediately shouted, “Brother, brother, brother...”

Liu Shitong’s voice was so loud that everyone in the Ziyan Sect could hear it!

Wei Qing and the others laughed wildly when they heard Liu Shitong calling David brother, and they felt that they had let out a breath of anger!

Lu San and the others looked ugly, and felt worse than eating shit!

David smiled and looked at the referee seat calmly: “Elder referee, can you make a ruling?”

The elder referee reacted, closed the formation, and jumped onto the competition stage!

“The competition is over, the outer disciple Cheng Ping won and obtained the qualification of the inner disciple!”

The elder referee announced!

“Good, junior brother is awesome!”

“Little junior brother is awesome, senior sister loves you to death.”

“Junior brother YYDS...”

The disciples of the old master’s lineage all cheered, rushed to the competition stage, lifted David up directly, and threw him high into the air!

Lu San led people to help Liu Shitong off the competition stage!

Liu Shitong looked ugly, and his aura was unstable. It seemed that he would need to recuperate for a long time!

Just when David and Liu Shitong finished the duel, in the meeting hall of Ziyanmen, almost all the elders in charge were there, and sitting on the main seat was the newly appointed master Huo Yuanting.

The meeting in the meeting hall was also because of Qian Xiu’s master, Elder Hu, who had been at odds with Huo Yuanting before!

After Huo Yuanting became the master, Elder Hu was dissatisfied, so he was punished by Huo Yuanting according to the rules of the sect!

In order to find out that there was a rebellion and disobedience, Huo Yuanting summoned these elders to discuss the matter!

More importantly, Huo Yuanting wanted to reform the recruitment conditions of Ziyamen disciples!

In fact, in the final analysis, Huo Yuanting wanted all the disciples who entered the inner gate in the future to become his Huo Yuanting's lineage!

Slowly weaken the strength of the old master's lineage, and when the time is right, the entire Ziyamen will be dominated by Huo Yuanting alone!

"Master Huo, Elder Hu committed an offense, but he didn't do anything too outrageous. You could have just punished him for a few years. Now you've put him in solitary confinement for thirty years. Isn't that too harsh a punishment?"

An elder with a white beard stood up and looked at Huo Yuanting and said!

"Yes, I think it's too harsh to put Elder Hu in solitary confinement for thirty years!"

Elder Yu stood up and also complained for Elder Hu!

## Chapter 3959

Huo Yuanting looked coldly at the person who spoke for Elder Hu, and said indifferently: "Elder Hu's punishment has been determined and cannot be modified."

"In addition, all the disciples who pass the inner disciple assessment today must go to Jingsi Cliff for a month of hard training."

"This is also the rule of the sect, just tell your disciples!"

Huo Yuanting's tone was unquestionable. As the master of the sect, even if he had just been promoted, he didn't want his elders to object!

The elders looked at each other, and no one spoke!

They all knew that going to Jingsi Cliff for a month of hard training was fake, and it was true to brainwash those disciples who passed the assessment!

Although they all knew it, there was nothing they could do, because Huo Yuanting was the master of the sect now!

Seeing that no one spoke, Huo Yuanting smiled with satisfaction!

Then he took a look outside, and then asked, "It's already this point, isn't the assessment over yet?"

At this time, a disciple hurried in from outside and said, "Master, the assessment has already ended, but because a disciple cheated, the assessment fire exploded and the assessment formation was damaged."

"Elder Cui is repairing the assessment formation, so it will take a few days to repair it."

"What? Someone cheated and caused the fire to explode? It's so bold, who is it?" Huo Yuanting said with wide eyes!

When Elder Yu heard this, his heart tightened! If

David did it, then it would be over. When the investigation was carried out, the fact that he took money to bring people into the sect casually would definitely be exposed!

But just when Elder Yu was nervous, the disciple said, "It was Lu San, an outer disciple. He used the fire in the bronze mirror to increase the power of the fire, but he couldn't control it, causing the fire to explode!" When he

heard that it was Lu San, Elder Yu breathed a sigh of relief.

Huo Yuanting frowned. This Lu San was a disciple of his lineage. Although he was only an outer disciple, he was already at the sixth level of the Tribulation Realm, which was stronger than some inner disciples!

As for cheating with the bronze mirror, it must have been Liu Shitong's idea. After all, only Liu Shitong had the bronze mirror!

"Master, this cheating in the assessment caused the assessment formation to be damaged. This is a serious crime and must be punished!"

Elder Yu said to Huo Yuanting! At this time, he wanted to embarrass Huo Yuanting. Since he had imprisoned Elder Hu for thirty years, he would see how his own disciples would be punished for making mistakes!

"Punishment, it must be punished!" Huo Yuanting nodded, but in his heart he was trying to find a way to exonerate Lu San!

"Elder Yu, Sect Master, Elder Cui has already punished Lu San."

The disciple said!

Upon hearing this, Huo Yuanting was relieved: "Since Elder Cui has punished, then follow Elder Cui's wishes. After all, Elder Cui is famous for his selflessness!"

“There was an accident in the assessment this time. Did no one pass the assessment?”

“One person passed the assessment by challenging.” The disciple said!

“Challenge passed? Who? Who challenged?”

“It was a disciple named Cheng Ping, who challenged Brother Liu Shitong!” The disciple replied!

“What?”

Huo Yuanting stood up in an instant, his face full of disbelief!

Liu Shitong was his most proud disciple, how could he be defeated by an outer disciple?

When Elder Yu heard the word Cheng Ping, his heart was also shocked. He didn't expect that it was the person he brought.

He didn't expect that David had such a skill!

“Tell the referee elder to send the jade slip of the competition record!”

Huo Yuanting calmed down and sat back slowly and said!

“Yes!” The disciple turned around and left to find the referee elder!

The other elders were talking among themselves!

Chapter 3960

“Whose disciple is this? He can actually defeat Liu Shitong?”

“He is really a hidden talent, but this Cheng Ping's name is very unfamiliar!”

“Isn't the most powerful disciple outside our Ziyang Sect Lu San? How come Cheng Ping appeared?”

Several elders discussed, while Elder Yu said nothing!

This time, David is famous, just don't expose yourself to accepting money!

“Elder Yu, do you know this Cheng Ping? Whose disciple is he?”

an elder asked!

Elder Yu hesitated for a moment, and said a little embarrassedly: "It's a disciple I just accepted!"

"What? The disciple that Elder Yu just accepted?"

At this moment, several elders were all blown up!

The disciple who just accepted defeated Liu Shitong, this is too awesome!

At this time, the referee elder hurriedly sent the record jade slip!

With a spiritual power hitting the jade slip, a group of white mist slowly appeared in the void!

Then the picture of David and Liu Shitong competing appeared in the white mist, and even the sound was clear!

This is also for the sake of fairness. If the referee elder is unfair, there are also jade slips for other elders to judge!

Seeing the scene of David fighting with Liu Shitong, everyone was shocked!

Especially when David was burned by the fire, the power of this fire was so great that even the elders like them might not be able to bear it!

However, the scene of Liu Shitong using the top-secret fire and the black magic lotus was also exposed!

Seeing this, Huo Yuanting's face was uglier than eating shit!

After all, this top-secret fire, even ordinary elders are not qualified to learn, but Liu Shitong, a deacon disciple, actually knows the top-secret fire. Needless to say, it must be taught by Huo Yuanting in secret!

And the black magic lotus, although Liu Shitong did not learn magic skills, but the black magic lotus is also a thing of magic cultivation. A cultivator of the human clan secretly breeds things of the demon clan, which is also shameful!

Looking at the scene of the fight, everyone's expression became complicated!

Until the end, when Liu Shitong was knocked away by a punch and then begged for mercy and called "big brother" appeared, Huo Yuanting could no longer sit still! With a wave of his hand, the recording jade slip was destroyed, and the picture disappeared instantly.

“Waste, just waste...”

Huo Yuanting was furious!

His proud disciple was beaten in public and begged for mercy, and he had to call him big brother!

The other elders were shocked and laughed secretly!

Elder Yu put away his shock, and then said to Huo Yuanting: “Master Huo, your proud disciple is really awesome. He even comprehended the top secret fire of our Zi Yan Sect.”

“I remember the rules of Zi Yan Sect. The top secret fire cannot be practiced by disciples below the elders. Now your disciple is just a deacon. How did he refine the top secret fire?”

Elder Yu took the initiative. He wanted Huo Yuanting to be tired of explaining and forget to ask about David!

Otherwise, it would be difficult for him to investigate!

“Yes, how did Liu Shitong know the top secret fire?”

“And there are things of the demon clan in his body. Wouldn’t Liu Shitong be secretly following the demon cultivators?”

Another elder stood up and asked!

Huo Yuanting had cold sweat on his forehead. Although he was the master of the sect, he could not break the rules of Ziyan Sect!

“Maybe Liu Shitong secretly learned it when I was practicing. I will investigate this matter clearly.”

“If everyone has nothing else to do, just disperse!”

Huo Yuanting waved his hand, then got up and left in a hurry!

Seeing Huo Yuanting leave, Elder Yu also breathed a sigh of relief. It seemed that Huo Yuanting would not ask about David for the time being!

“Elder Yu, where did you find this awesome disciple?”

“This is too awesome. Liu Shitong was beaten and called him big brother.”

“If there were more disciples like this, the old sect master would not be squeezed out by Huo Yuanting!”

Several elders surrounded Elder Yu and asked in a chattering voice!
