Chapter 4001

Huo Yuanting was silent because he didn't know how to tell Gu Tianchao!

After all, Gu Tianchao was not a disciple of Zi Yanmen, and these were all secrets of Zi Yanmen, and Huo Yuanting didn't want outsiders to know!

If someone took advantage of the internal strife of Zi Yanmen and suddenly attacked, then Zi Yanmen would be in danger!

Huo Yuanting didn't want to see Zi Yanmen fall!

Seeing that Huo Yuanting didn't speak, Gu Tianchao smiled and said, "Master Huo, no matter what the reason is, I don't want to know, but I will help you open the God Fire Mountain, and the fee can't be less!"

"Don't worry, Elder Gu, whether it's spiritual coins or resources, Elder Gu can mention it casually, I will definitely satisfy it."

Huo Yuanting promised!

"Okay, take me to see..."

Gu Tianchao nodded!

Huo Yuanting took Gu Tianchao to the depths of the sect!

He came to the deepest part of the sect, a huge disc, and Huo Yuanting stopped!

Various array patterns flashed on the disc, and there were statues of five monsters standing around the disc!

"Elder Gu, this is the array plate that opens the God Mountain Fire, but only our Elder Cui can open the array plate and open the God Mountain Fire."

"Now please ask Elder Gu to see if he can help open it?"

Huo Yuanting asked Gu Tianchao respectfully!

Gu Tianchao glanced at the huge array plate, then waved his hand, and all the runes on the array plate were reflected in the air!

Looking at the messy and disorderly array pattern, Huo Yuanting and other people who don't understand the array are confused!

"It's not difficult to open the array plate, it just takes two or three days."

After Gu Tianchao looked at it carefully, he said confidently!

"Okay, Elder Gu, just tell me what you need!"

Huo Yuanting was immediately excited when he heard that Gu Tianchao could open it!

"During the days when I'm cracking it, no one is allowed to disturb me, otherwise all my previous efforts will be wasted, and I will also be backlashed."
Gu Tianchao exhorted!

"Don't worry, Elder Gu, no one will disturb us!" Huo Yuanting promised!

Then he looked at Huo Dong on the side and said, "Son, you take people to guard here in person. Anyone who dares to approach will be killed without mercy..."

"Understood!" Huo Dong nodded!

Gu Tianchao began to crack the array plate, while Huo Dong took several elders to guard outside!

At the same time, Wei Qing hurried to Elder Yu's mansion!

"Master, the Huo family father and son actually invited an array master from Liangyi Gate to forcibly break the array plate and open the Shenhuo Mountain."

Wei Qing said anxiously.

"What? Huo Yuanting dared to violate the rules of the sect and privately open the Shenhuo Mountain? Is the news accurate?"

Elder Yu was shocked when he heard it!

"It's accurate. I saw it with my own eyes. Huo Yuanting took the people from Liangyi Gate to the array plate. Only Huo Yuanting left, and Huo Dong personally led people to guard it."

Wei Qing said!

“It’s bad. It seems that Huo Yuanting must get the Divine Fire Seal. We must not let him open the Divine Fire Mountain. Otherwise, if he gets the Divine Fire Seal, even if the old master recovers and comes out of the mountain, it will be useless.”

Elder Yu frowned slightly, and then continued: “You should contact other elders and disciples immediately, and call everyone in our lineage.”

“Master, should Senior Sister Zhu Ling call her?” Wei Qing asked!

“Call her. This matter must be known to the eldest lady. If Huo Yuanting gets the Divine Fire Seal, it is estimated that the eldest lady and everyone in our lineage will not have a good end.”

Elder Yu made a decision. Even if he died, he could not let Huo Yuanting open the Divine Fire Mountain and get the Divine Fire Seal!

After Wei Qing left, Elder Yu looked in the direction of the Cliff of Repentance!

“I don’t know what happened to Cheng Ping...”

Elder Yu hoped that David would come out to help him after his repentance.

In this way, they would have one more helper. Although David was only at the fourth level of the Tribulation Realm, the strength he showed was not much worse than him!

Chapter 4002

It took less than an incense stick of time for the elders and disciples of the old sect master’s lineage to be summoned.

Zhu Ling, who had not been seen for a long time, also came to Elder Yu’s mansion!

Seeing Zhu Ling, many disciples were all excited!

“Miss, Huo Yuanting has found the formation master of Liangyi Sect and is preparing to forcibly open the Divine Fire Mountain and get the Divine Fire Seal. We must not let him succeed.”

“If he gets the Divine Fire Seal, it will definitely be disadvantageous to Miss and the old sect master.”

Elder Yu said to Zhu Ling!

At this time, Zhu Ling's words are more cohesive than Elder Yu's.

These people are all from the old sect master's lineage, so they will listen to Zhu Ling's words more.

"When did Huo Yuanting start to crack the formation plate and forcibly open the Divine Fire Mountain?"

Zhu Ling asked!

"Senior sister, it happened today. I saw it with my own eyes."

Wei Qing said hurriedly!

"Today!" Zhu Ling frowned slightly, then looked at the people around her, and asked Elder Yu: "Elder Yu, what about Junior Brother Cheng Ping?"

"Miss, he ran around without permission and triggered the formation. He was punished by Huo Yuanting to go to the Cliff of Repentance and face the wall for three days."

Elder Yu said!

Zhu Ling knew that this was David taking the blame for her!

"The formation plate, how long will it take for the people of Liangyi Sect to crack and open it?"

Zhu Ling continued to ask!

"This....." Elder Yu hesitated!

He didn't know either. After all, he was not a formation master, so how could he know.

The others were silent, not knowing how to answer Zhu Ling's words!

"Senior sister, I think Elder Cui may know, we can ask him."

Wei Qing said at this time.

"Okay, then you go and invite Elder Cui." Zhu Ling said.
Wei Qing nodded and immediately went to invite Elder Cui.

Elder Cui was a neutral party after all, so he was not called just now.

Soon, Elder Cui was called by Wei Qing.

Seeing that the people of the old master's lineage were all there, and Zhu Ling also showed up, Elder Cui seemed a little surprised.

"Miss, do you have anything to talk to me about?"

Elder Cui asked Zhu Ling.

"Elder Cui, if the people from Liangyi Sect want to forcibly crack the array and open the God Fire Mountain, how long will it take?"

Zhu Ling asked Elder Cui.

"Why? Is someone going to forcibly open the God Fire Mountain?"

Elder Cui frowned.

"Yes, Huo Yuanting invited the array master of Liangyi Sect to forcibly open the God Fire Mountain."

Zhu Ling nodded and said!

"This Huo Yuanting is too bold." Elder Cui was furious, but then he said, "If the elders of Liangyi Sect come here, it will take about four to five days to crack the array and open the God Fire Mountain." "

But I can add some obstacles to him, so it will take longer. If we only invite ordinary disciples of Liangyi Sect, they will never be able to crack the array."

"Four to five days..." Zhu Ling pondered!

"Miss, there is no time to lose, let's rush over and stop Huo Yuanting. Once the God Fire Mountain is opened, we can't stop him."

Elder Yu said to Zhu Ling anxiously!

Zhu Ling said after thinking for a moment: "Don't worry, wait until Junior Brother Cheng Ping finishes his reflection. Didn't Elder Cui say that even the elders of Liangyi Sect need four or five days to open the Divine Fire Mountain?"

"Besides, Elder Cui will also increase obstacles. Maybe they can't open the Divine Fire Mountain at all."

The reason why Zhu Ling wanted to wait for David and prevent Elder Yu and others from clashing with Huo Yuanting was also to wait for the old sect master to come out!

Zhu Ling knew that her father's demon soul had been eliminated, and she only needed to restore his consciousness to come out and take charge of Ziyang Sect again!

As long as Huo Yuanting couldn't get the Divine Fire Seal during this period, it would be fine!

Maybe after four or five days, the old sect master would recover and come out, and it would be useless even if the Divine Fire Mountain was opened!

Chapter 4003

"Miss, isn't this too risky? What if..."

Elder Yu wanted to say something, but was interrupted by Zhu Ling!

"Okay, let's do it this way. We'll make plans after Junior Brother comes out of the Cliff of Repentance. You guys just pretend you don't know about this in the next few days, and no one should bother Huo Yuanting."

"Got it!" Seeing this, Elder Yu could only listen to Zhu Ling's words!

All the people who were summoned dispersed!

Elder Cui also left, and Zhu Ling looked at Elder Yu and said, "Elder Yu, you don't know that my father's madness is gone, and he is recovering his consciousness now."

"In order not to be known by Huo Yuanting, I didn't tell anyone. I accidentally touched the formation at that time. I did it. I took David to see my father."

"It's just that in order not to let Huo Yuanting get suspicious, Junior Brother stayed alone and took all the responsibility on himself!"

"So don't provoke Huo Yuanting in the next few days. If my father fully recovers and comes out of the mountain, even if Huo Yuanting forcibly opens the God Fire Mountain, it will be useless!"

Zhu Ling followed Elder Yu to explain. She was afraid that Elder Yu couldn't help but stop Huo Yuanting!

"So the eldest lady went with him. This guy is really tight-lipped and didn't even tell me."
“

I will follow the eldest lady's arrangements in everything..."

Elder Yu nodded and said after knowing the reason!

Since then, the entire Ziyang Sect has become quiet, and the old sect master's lineage pretended not to know and didn't provoke Huo Yuanting and his people!

Huo Yuanting was waiting for Gu Tianchao to crack the array and open the God Fire Mountain! He

didn't care about Elder Yu and the others. As long as these people didn't make trouble, they could do whatever they wanted!

As long as he got the God Fire Seal, he would become the real leader of Ziyang Sect!

Whoever he wanted to get out of Ziyang Sect would get out!

Three days passed in the blink of an eye!

When David walked out of Siguo Cliff, he actually had an extraordinary aura on his body!

"If there were no other things, I really want to stay in Siguo Cliff for a few more days!"

David was reluctant to leave Siguo Cliff!

In addition to being able to cultivate the True Fire Dharma Body, you can also use the flames on the mountain to temper your body!

This kind of good thing is not always available!

It seems that this Siguo Cliff was originally the place where the ancestors

of the Purple Flame Sect taught the exercises! However, the Purple Flame Sect disciples who came to the Siguo Cliff were thinking about leaving quickly and were suffering, so they couldn't find the exercises on the Siguo Cliff at all!

If it weren't for the reminder of the Red Cloud Demon Lord at that time, David would probably have found it difficult to find that there would be exercises on the Siguo Cliff!

Speaking of which, this is also a coincidence, which made David a blessing in disguise!

"Junior brother, you finally came out, are you okay?"

Wei Qing knew that David's time for thinking had come, so he came to pick him up!

"It's okay, it's good, senior brother, have you been to the Siguo Cliff?"

David asked!

“Of course I have been there. When we, the deacon disciples, are promoted to deacons, we have to temper ourselves in the Siguo Cliff.”

“Otherwise, how would I know that the Siguo Cliff is terrifying? It’s simply not a place for people to stay.” When

Wei Qing mentioned the Siguo Cliff, he could see that he was very resistant!

“Brother, didn’t you find anything special about the Cliff of Repentance?”

David looked at Wei Qing and asked!

“Special? What could be special? Did you find anything?”

Wei Qing asked curiously!

“No, I’m just asking casually.” David smiled, and then continued: “Brother, I have been thinking about it for three days. That Huo Dong hasn’t caused any trouble, right?”

“No, how could they have the mind to cause trouble? Now Huo Yuanting has found a formation master from Liangyi Gate, and is forcibly opening the Divine Fire Mountain. Huo Dong is personally guarding the left and right guards!”

Wei Qing said helplessly!

Chapter 4004

“Liang Yi Men?”

When David heard the name, he instantly remembered the guy who had cheated Elder Xia’s daughter in Wantong Pavilion!

He was from Liang Yi Men, and his name was Gu Tianchao!

David didn’t expect to hear the name of Liang Yi Men in Zi Yan Men!

“Why, Junior Brother also knows this Liang Yi Men?”

Wei Qing asked when he saw David’s reaction!

“Yes, I’ve heard of it.” David nodded!

“Liang Yi Men is a sect that specializes in the study of formations. There are many formation masters, and it is indeed very famous in the Central Region.”

“This time, Huo Yuanting invited people from Liang Yi Men. It seems that he is determined to start the Shenhuoshan Fire.”

Wei Qing said!

“Then why don’t you stop it?”

David was very puzzled. Since Huo Yuanting forcibly opened the Shenhuoshan Fire, Elder Yu and the others should have stopped it!

“Senior Sister Zhu Ling won’t let her. She said she would wait until you finish thinking about it before discussing what to do.”

“I think Senior Sister Zhu Ling is relying on you now. Don’t let her down!”

Wei Qing said with a grin!

“Let’s go and discuss it with Master...”

David did not answer Wei Qing, but went directly to Elder Yu’s mansion!

David could not let Huo Yuanting get the Divine Fire Seal. Now that he knew that the Divine Fire Seal was needed for the Ultimate Fire Fusion, David had to get it!

What’s more, the old sect master had also promised him, so David could never let Huo Yuanting get the Divine Fire Seal before the old sect master recovered!

But just when David and Wei Qing arrived at Elder Yu’s mansion, a wave of heat suddenly swept through the entire Ziyang Sect!

Accompanied by waves of earthquakes, a dazzling white light shone from the depths of the Ziyang Sect!

“It’s bad, the Divine Fire Mountain is open...”

Elder Yu rushed out of the mansion, looking at the dazzling white light, his eyes full of surprise!

Along with the earthquakes, Zhu Ling and many elders and disciples of the old sect master’s lineage all came one after another!

Even Elder Cui came in a sweat!

“Elder Cui, didn’t you say that the array plate would not be cracked in a short time?”
Zhu Ling looked at Elder Cui and questioned him!

Elder Cui was embarrassed: “This time, the people Huo Yuanting found were very powerful information. Although I tried my best to create obstacles, I still couldn’t stop them.”

Seeing this, Zhu Ling could only sigh softly, looking at the dazzling white light, helpless!

“Is the Divine Fire Mountain now open?”

David looked at the white light that rushed into the sky, not understanding where the Divine Fire Mountain was!

“You will see it soon...”

Elder Yu frowned slightly!

David stopped talking, but looked at the white light!

I saw the white light rushing into the sky, followed by a flash of lightning and thunder in the air!

Then, the white light turned into a rain of light and fell from the air!

Under this rain of light, David saw a blurry mountain shadow not far away!

As the light rain continued to fall, the mountain shadow became clearer and clearer!

In the end, a towering mountain appeared in front of everyone, but this mountain was fiery red!

And on the top of the mountain, you can see the rising flames!

“This... isn’t this the mountain we saw in the Cliff of Regret?”

David’s face was full of surprise!

When he was at the Cliff of Regret, the mountain before him appeared, and it was also burning with flames!

“Yes, what we face at the Cliff of Regret is this sacred volcano.”

Elder Yu nodded!

“Could this mountain also be an illusion?” David asked curiously.

After all, in the Cliff of Regret, it was imagined out of thin air because the sea of consciousness was controlled!

“This is not an illusion, this is a real mountain, but the formation hides it, and it is usually invisible.”

“Only when the formation disk is activated and the formation slowly dissipates, this mountain will appear in front of everyone.”

Zhu Ling followed David to explain!

Chapter 4005

David was very surprised. He couldn't imagine how capable the ancestor of the Purple Flame Sect was to lay out such a large formation and hide a mountain!

Seeing David's surprise, Elder Yu explained, “This Shenhua Mountain was not hidden by our ancestor of the Purple Flame Sect. Originally, this mountain had no flames, and this place was not a desert.”

“Legend has it that during the war between gods and demons, the Fire Spirit Star Lord of the Heaven dropped something, which turned the entire mountain into a volcano, and the hundreds of miles around it became a desert.”

“And this dropped thing is the Divine Fire Seal. Our Purple Flame Sect is just a sect that was later established under this Shenhua Mountain.”

“Fire Spirit Star-Lord?”

David was a little incredible when he heard it!

David could never have imagined that this Purple Flame Sect was formed by an item left by the Fire Spirit Star-Lord!

An item dropped by an immortal can create a huge sect!

When David accepted the inheritance of the Fire Spirit Star-Lord, he was picky, and finally annoyed the Fire Spirit Star-Lord and ran away!

David still regrets it when he thinks about it now!

Fortunately, he has almost mastered the Fire Control Step and has the Fire Spirit of the Fire Spirit Star-Lord in his hand!

If that's the case, David is now in a higher position than the ancestor of the Purple Flame Sect!

David has personally received the inheritance of the Fire Spirit Star-Lord!

The ancestor of the Purple Flame Sect only established the sect with the items dropped by the Fire Spirit Star-Lord, and the Fire Spirit Star-Lord may not even know the existence of the Purple Flame Sect!

“Junior brother, the Fire Spirit Star-Lord is a celestial being, and these are all legends, and they may not be true. You don't have to care too much.”

Zhu Ling saw that David was stunned after hearing about the Fire Spirit Star-Lord, and thought that David was shocked!

“I understand!” David nodded: “Right now, we have to stop Huo Yuanting as soon as possible, and we can't let him enter the God Fire Mountain.”

“Yes, we must stop Huo Yuanting now!” Zhu Ling echoed!

Soon, Elder Yu and others went to the depths of the Purple Flame Sect in a mighty manner!

At the same time, looking at the opened Shenhushan Mountain, Huo Yuanting was so happy!

“Elder Gu, thank you so much. Don't worry. I will never give you less than what I promised you.”

Huo Yuanting grabbed Gu Tianchao's hand and said excitedly!

“Master Huo is too polite. I will help you to the end. Since the Shenhushan Mountain has been opened, I will go with Master Huo.”

Gu Tianchao smiled faintly!

“That's great. With the help of Elder Gu, this trip to the Shenhushan Mountain will definitely be perfect.”

Huo Yuanting's face was full of excitement, and then he looked at Elder Tian and said, “Elder Tian, you take people to guard here. I think the Shenhushan Mountain will be opened. Elder Yu and others will definitely come to make trouble. Stop them.”

“Understood!” Elder Tian nodded!

Huo Yuanting took Huo Dong and several elders and went straight to Shenhushan Mountain! The

Shenhushan Mountain was opened, and the rolling heat wave was not something that ordinary people could bear, especially the closer to Shenhushan Mountain, the more intense the heat wave!

Huo Yuanting and the others could only circulate their spiritual energy to resist!

Just as Huo Yuanting and his group were heading to the God Fire Mountain, Zhu Ling and Elder Yu also hurried over!

“Elder Yu, you brought so many people to trespass into the forbidden area of Ziyang Sect. What do you want to do?”

“This is where the array plate is located. No one is allowed to approach unless the Sect Master orders.”

Elder Tian led his people to stop Elder Yu and his group!

“Tian Jing, stop pretending. Huo Yuanting opened the God Fire Mountain privately, which violated the sect rules. Now we are here to stop him from entering the God Fire Mountain.”

Elder Yu said sternly to Elder Tian!

Chapter 4006

“Yu Jin, you old thing, can you call the name of the Huo Sect Master casually? You are committing treason. What’s wrong with the Sect Master opening the God Fire Mountain?”

Elder Tian said coldly!

“Bullshit, he is just the acting Sect Master. The old Sect Master is still alive and has not died yet. He just let Huo Yuanting act as the Sect Master. He really thinks he is an onion.” “

Get out of my way immediately, otherwise don’t blame us for being rude...”

Elder Yu said angrily!

“Haha, so what if you are rude? Do you dare to break into the God Fire Mountain with just these people?”

“And I tell you, when Sect Master Huo gets the God Fire Seal, he will be the real Sect Master. At that time, all of you will have no good end.”

“Now if you turn back and stand on the side of Sect Master Huo, I can say good things to you when Sect Master Huo gets the God Fire Seal.”

Elder Tian laughed!

“Fuck you, stop trying to alienate us here. I tell you, the old sect master has already recovered and is now on leave. When the old sect master recovers, he will be the first to kill you all.”

Elder Yu was afraid that someone would be unsteady, so he told the old sect master about his recovery!

Elder Tian frowned when he heard it, but then smiled coldly and said, “You don’t have to lie to us. The old sect master is controlled by the devil soul. It is impossible for him to recover unless the devil soul is eliminated.”

“Tian Jing, how do you know that the old sect master is controlled by the devil soul? Could it be that this devil soul was planted by you for the old sect master?”

Elder Yu narrowed his eyes and looked at Elder Tian coldly!

They have always suspected that Huo Yuanting had harmed the old sect master!

But there has been no evidence. Now Elder Tian’s words have been exposed!

After all, no one knows why the old sect master suddenly became crazy!

Now that Elder Tian knows it, it means that they must have done it!

Elder Tian was also a little panicked when he heard it. He shook his head and said, “Don’t spit blood at me. I’m just guessing. If you want to fight, I’ll accompany you.”

Elder Tian’s body instantly burst out with a terrifying aura!

Elder Yu was not to be outdone, and also burst out all the aura in his body!

“Do it.....”

Zhu Ling looked at the God Fire Mountain not far away and suddenly spoke!

She knew that if she hesitated, Huo Yuanting would really enter the God Fire Mountain. If Huo Yuanting got the God Fire Seal and recognized the master, then everything would be too late!

Elder Yu immediately fought with Elder Tian.

The two jumped up and rushed into the sky. Every time they made a move, the void trembled and the sound was like thunder!

The whole sky lost its original color in the fight between the two!

At the same time that Elder Yu and Elder Tian fought, the two parties also instantly melted together!

However, David never moved, and Zhu Ling did not move!

They all had a common goal, which was to rush through here and go to the God Fire Mountain!

“Everyone, use the formation to defend, and never let them disturb the master to go to the God Fire Mountain.”

Elder Tian shouted while fighting with Elder Yu! After

hearing this, the people of Huo Yuanting’s lineage retreated one after another, and then a white light flashed, and the formation was opened!

This formation was originally used to protect the formation plate, but at this moment it was used to block David and others!

After the formation was activated, the people of the old master’s lineage suddenly felt a little overwhelmed!

After all, none of them could break the formation. If they were to break it by force, it would take time. Maybe by then Huo Yuanting would have already obtained the Divine Fire Seal!

“Everyone get out of the way...”

Zhu Ling asked everyone to get out of the way, and then took out the formation plate!

Elder Cui set up this formation, and the formation plate that Elder Cui gave her would definitely be able to break it!

The runes on the formation plate flashed, and a gap that seemed to be there and not there slowly appeared in the formation in front of them!

Chapter 4007

Seeing that the formation had opened a gap, Wei Qing led everyone to rush forward!

But just as he rushed forward, a flash of white light passed by, followed by a terrible force that knocked everyone out!

“Hahaha, this formation has been strengthened by the elders of the Liangyi Sect. How could it be broken so easily?”

An elder of Huo Yuanting’s lineage laughed!

Huo Yuanting had actually been prepared for a long time. He knew that Elder Cui might favor the old sect master, so after Gu Tianchao came, he asked him to strengthen the formation!

Seeing this, Zhu Ling frowned instantly. The formation plate in her hand could only break the formation set up by Elder Cui. If there were formations set up by others, she would not be able to break them!

Originally, she didn’t understand the formation, and she relied on the formation plate given by Elder Cui!

“What can I do?” Zhu Ling was a little at a loss!

“Senior sister, let me break the formation!”

David stepped forward and said!

“You?” Zhu Ling was stunned: “You know the art of formation?”

You know, when Zhu Ling took David to see the old master, David had always pretended to know nothing and followed behind him obediently!

How come he knows the art of formation now?

David just smiled and didn’t say anything, but walked forward and gently pressed his palm on the formation!

In just a moment, the originally unbreakable formation shattered like an eggshell, and then disappeared completely!

Seeing David break the formation so easily, Zhu Ling was stunned!

Others were also stunned. No one expected that David actually knew the art of formation, and it seemed that his level was very high!

“Senior sister, I’m afraid that my junior brother’s formation art is not inferior to that of Elder Cui.”

Wei Qing stepped forward and said to Zhu Ling!

Zhu Ling only realized at this moment that David was not only powerful, but also so powerful in the art of formation!

At this time, Zhu Ling’s heart was even more throbbing!

“What are you waiting for, kill...” David glanced at Zhu Ling, then raised his arm and called out!

For a moment, the sound of killing shook the sky, and spiritual power kept colliding and bombarding!

For a moment, the world was like the end of the world, and the entire void was shaking!

Just as the old sect master’s lineage and Huo Yuanting’s lineage were fighting, Huo Yuanting brought Huo Dong and others to the foot of Shenhushan Mountain!

However, at the foot of Shenhushan Mountain, a river about a hundred feet wide and flowing with magma blocked the way!

Looking at the magma river in front of him, Huo Yuanting frowned.

“What’s going on? How did a river suddenly appear?”

Huo Yuanting had also been to Shenhushan Mountain, but he had never seen this magma river. Now such a river suddenly appeared, which made him very confused!

“Father, could it be that the magma under Shenhushan Mountain came out, so it formed a river?”

“For this kind of river, we only need to jump over it, don’t be afraid.”

Huo Dong said!

But just when Huo Dong was about to jump up, he was stopped by Huo Yuanting!

“Don’t be reckless.” Huo Yuanting said, glanced at the Zi Yan Sect disciple beside him, and then said: “You go first...”

“Yes!” Although the Zi Yan Sect disciple was also afraid, he had no choice!

The Zi Yan Sect disciple jumped up, and when his body passed over the river, it suddenly ignited flames, and fell into the river with a scream!

Seeing this scene, Huo Dong’s face instantly became extremely ugly!

Huo Yuanting frowned, he didn’t expect that the Shenhuo Mountain was opened, but suddenly a river blocked the road!

Just when Huo Yuanting was a little at a loss, suddenly dozens of auras came towards them quickly!

“Bad, are these guys here so soon?”

Huo Yuanting thought that Elder Yu and the others had come to stop them from entering the Shenhuo Mountain!

Chapter 4008

But just when Huo Yuanting was about to make a move, dozens of people with ghost faces appeared!

The auras of these people were very strong, especially the leader, who exuded the aura of the Mahayana realm!

“Ghost Face Sect? How come you are here?”

Huo Yuanting became nervous when he saw the people coming!

The Ghost Face Sect is also a major sect in the Central Region, and it also cultivates the Ultimate Fire, but the Ghost Face Sect is a demon cultivator!

For a long time, the Purple Flame Sect has been fighting with the Ghost Face Sect, and they all want to compete for the right to use the God Fire Mountain!

After all, there are items dropped by the Fire Spirit Star Lord here, not to mention that guarding the God Fire Mountain can also borrow the flames of the God Fire Mountain itself to improve their strength!

However, as a demon cultivator, the Ghost Face Sect was suppressed by the major sects everywhere, so they could not fight the Purple Flame Sect at all!

In the end, the Ghost Face Sect could only disappear and hide!

Now that the Ghost Face Sect suddenly appeared near the God Fire Mountain, and so many people came, Huo Yuanting had to become nervous!

“Master Huo, don’t be nervous, we are already a family.”

The leading member of the Ghost Face Sect said slowly!

“What nonsense are you talking about? Who is your family?”

Huo Yuanting snorted coldly!

“Hahaha, if you are a family, you can ask your son.”

The member of the Ghost Face Sect laughed!

Huo Yuanting looked at Huo Dong, and Huo Dong walked straight to the member of the Ghost Face Sect and said respectfully: “Disciple Huo Dong, I pay my respects to Elder Tu...”

At this moment, everyone looked at Huo Dong in shock!

Even Huo Yuanting was surprised!

Although he knew that his son had practiced magic and refined the ultimate fire of the demon clan, he never thought that Huo Dong would join the demon clan and become a member of the Ghost Face Sect!

“Huo Dong, do you know what you are doing?”

Huo Yuanting glared at Huo Dong and questioned! “Father, of course I know. The old sect master expelled me from Ziyang Sect. If it weren’t for the Ghost Face Sect taking me in, I would have died long ago.”

“Now I control three kinds of fire, and my strength has reached the peak of the Tribulation Realm. What’s wrong with that?”

“And the Demon Soul you used was actually provided by the Ghost Face Sect. Otherwise, where would I find the Demon Soul for you to drive the old sect master crazy?”

Huo Dong said to Huo Yuanting!

Huo Yuanting's expression became extremely complicated when he heard it. Fortunately, all the disciples here were from his lineage, and no one would say anything!

If Elder Yu and the others were here, they would definitely fight to the death if they knew that he had used the Demon Soul to harm the old sect master!

However, Gu Tianchao on the side was also very surprised after hearing this, but he pretended not to hear it!

After all, this was an internal matter of Ziyang Sect. He had no control over it, and didn't want to control it. As long as he could get benefits from Ziyang Sect, it would be fine!

"Master Huo, I'm here to tell you something. Your old sect master is now out of the control of the Demon Soul, and the Demon Soul we provided has disappeared."

Elder Tu said slowly to Huo Yuanting!

"What? Impossible, did he destroy the demon soul himself?"

Huo Yuanting didn't quite believe it!

He had seen the old sect master a few days ago, and he was crazy and didn't seem to be pretending at all!

"It wasn't him who destroyed it, but someone helped to destroy the demon soul."

Elder Tu shook his head and said!

"How is it possible? Who can get in through the layers of formations?"

Huo Yuanting frowned. He really couldn't figure out who could get through the layers of formations, see the old sect master, and destroy the demon soul in the old sect master's body?

Suddenly, Huo Yuanting seemed to think of something!

He remembered that the formation was suddenly activated, and Elder Yu's newly recruited disciple was on the scene!
