

## Married At First Sight

**Married At First Sight Chapter 3347**-“None of them can find a wife, and they are unable to marry.” This gives the Master the impression that we are a complete failure. Among the disciples we have instructed, men are unable to marry, and women are unable to conceive. It’s so embarrassing to tell them.”

Several elderly people nodded sympathetically.

Bianca quickly stepped forward and took Elisa’s arm, saying, “Sister Elisa, let’s get out quickly. I dread the thought of them pressuring me to marry. I’m only twenty-six years old, not thirty-six or forty-six. Do I need to urge them? They are older than me. When we encourage them to marry, why don’t they?”

Elisa smiled and walked out of the house with her, smiling as she walked. “Just get used to it.”

The two girls went out.

Several elderly people also said they wanted to go out for a walk, and they did not need Audrey and Darrell to accompany them.

Audrey had no choice but to arrange for Clive and Remy to accompany them.

Remy is the fifth young master of the Johnson family. Since the Johnson family and the old miracle doctor were in-laws, Remy could carry on the conversation even if he was present.

At the same time, Wiltspoon Hotel.

After Evan had eaten and drank enough, he leaned on his chair and called Zachary.

When Zachary answered the phone, Evan asked, “Brother, why didn’t you come over for dinner today? I had waited for you and sister-in-law at our hotel.”

Zachary said, “Your sister-in-law and I returned to the villa. We just finished having dinner with Grandma and are preparing to return to the city.”

“Do you have anything to do with me?” he replied, asking Evan again.

“I would like to ask you to help me contact Mr. Julian. I’d like to ask him to do me a favor, or I can just tell Brother Josh.”

Zachary replied, "You can tell Josh that Julian will not come back until two years from now." For the time being, Josh will take care of the Bucham family's affairs. You can tell Josh the same thing."

Julian's family of three was still over there in Yonsburg. He said he was coming back soon, but he wasn't back yet.

Julian and Kiera were in love. He had tasted love for the first time, and he could only taste it once in his life. How could he be willing to separate from Kiera so soon?

It was almost time for winter vacation again. The Caron family owned a martial arts gym. During the winter vacation, many parents would send their children to learn martial arts. The Caron family martial arts gym would be very busy. Kiera worked in her own martial arts gym, so naturally she couldn't leave.

"I'm afraid brother Josh won't favor me." Evan was worried. "Brother Josh has the best relationship with his eldest brother. He also has a good relationship with my second and third brothers. Among us, Brother Josh doesn't take us seriously."

The difference in age was only a few years, so Josh won't take them to play. He just liked to play with his brothers.

"Okay, what do you want Josh to do for you? Check that girl? I heard Grandma say that you took other people's things and returned them after taking theirs. The dignified fourth young master of the York family does not engage in petty theft."

Evan laughed but did not say that he wanted to return the things to Fox. He simply stated, "She came to Wiltspoon and went to my company." I wanted to treat her to dinner, but she ran very fast, and I didn't keep her. Since she has arrived at Wiltspoon, she must not have left yet, but I don't know where she is. Because Wiltspoon is so big, it's really hard for me to find her, so I can only ask Brother Josh for help."

Zachary said, "Josh really doesn't care about this kind of thing. Can't you find her by yourself?"

Evan said helplessly, "I sent people to investigate her and follow her, but she got rid of them all. She warned me not to follow her in the future. Brother, she kicks people very hard. She kicked me just now, and I fell to the ground."

Zachary didn't sympathize with him at all. Instead, he gloated and said, "You deserve it. If you don't allow Abby, whom your grandmother chose for you, to insist on that unknown girl, you deserve to be kicked. You took someone's things and refused to give them back. You probably wanted to use this to entice her to come to you. You can't imagine such a rogue approach.

Outside, you have to pretend that you don't know me. I'm afraid that others will know that you are my brother, and I will be embarrassed."

Evan: "brother."

Zachary said, "She doesn't want to see you, and there's no point in finding her. You'd better just wait for her to come to you. When you take other people's things and give them back to them, the more rogue you are, the less they will like you. Be honest and upright, a man, upright and aboveboard.

Don't deceive me. I made the mistake of cheating. Your sister-in-law almost divorced me. You didn't learn from my mistakes?"

Zachary didn't want to assist Evan, and he allowed him to pursue his wife through a lengthy journey. Who told Evan that he had to take the narrow road instead of the bright road?

Could it be that the person Grandma chose was wrong for him?

Grandma had hinted at him several times, but he was stupid and didn't hear it.

She repeatedly asked him several times if he would regret it, and if he chased his wife to the crematorium in the future, he could not go home and ask his grandma for help.

He didn't hear it; who could blame him?

Zachary didn't wake up his cousin. Abby and Fox were 90% the same person.

Only grandma would say that. In the future, Evan would chase his wife to the crematorium.

Evan: "Brother, can you ask my sister-in-law to listen to the phone?"

Zachary refused to help him, so Evan had no choice but to find Serenity.

As soon as Serenity opened her mouth, the sky fell, and Zachary had to help her hold on.

Zachary chuckled twice and reminded Evan: "Abby has just become your sister-in-law's new friend. They hit it off instantly. Do you believe that your sister-in-law will assist you? Jasmine has also made friends with Abby. If you become friends with Abby, she is likely to make negative comments about you in front of Josh. hehe."

Zachary didn't say any more.

Let Evan promote his own taste and appreciate it carefully.

Giving up Abby was Evan's loss.

What was most scary was that Evan went round and round and found that he would eventually marry Abby.

Grandma never failed to play chess or set up a game.

After Evan choked, he said, "Okay, I won't ask Brother Josh for help. I'll go find out on my own. I don't know her name or where she lives, so it's really hard to find out. Brother, I am currently experiencing the most intense phase of my crush, and I am feeling extremely powerless."

He didn't understand love when he was young, but he missed it as soon as he understood love. He himself felt that his love journey would not be smooth.

His dream had told him so.

In the dream, he and Fox had been intertwined for an extended period. Anyway, as long as he dreamed about her, they were always entangled.

Nowadays, it is really entangled.

But it was him who was pestering, but it still didn't have much effect, and the pestering was damaging to his reputation as the Fourth Young Master. But it was the only method he could use.

Zachary stated, "You have chosen this road yourself if you don't follow the broad path that Grandma paved for you." No matter how difficult it is, you have to do it yourself. Grandma asked you if you regretted it, and you said you didn't regret it."
