Chapter 4071

The two thunderclouds were evenly matched, and David's thundercloud looked even more violent with flashing lightning!

Just when everyone was a little surprised that David, a fourth-grade breakthrough in the Crossing Tribulation Realm, could attract such a powerful thundercloud, the thunder came crashing down!

Boom boom...

David's thunder and Huo Dong's thunder came down almost at the same time! Whether it was David or Huo Dong, they had no other thoughts at this moment, and they were focused on resisting the thunder!

However, Huo Dong had the Divine Fire Seal in his hand, which could help him resist part of the power of the thunder!

After all, the opportunity for Huo Dong to break through was because of the Divine Fire Seal!

At this time, thick golden thunders kept bombarding David! There were

constant flashes of lightning on David's body, but David didn't seem to use any breath to resist the thunder!

Let the thunder bombard himself, and then slowly disappear!

"What are you doing, Junior Brother? Why don't you resist the thunder tribulation? Are you going to use your physical body to resist it?"

"You might be reduced to ashes!"

Wei Qing said in surprise when he saw this!

But they didn't know that David already possessed the origin of thunder and lightning, and his physical body had already reached a very strong level!

These thunder tribulations bombarding David will only increase the tempering of David

's physical body! Another part will be absorbed by David into his own origin star!

This is why David is not afraid of thunder tribulation at all!

Huo Dong's whole body was filled with flames, and at the same time, the fire in the Divine Fire Seal continued to spread, dispersing the thunder. Huo Dong was resisting the thunder tribulation. He was completely different from David!

At this time, Huo Dong's clothes moved without wind, and his whole body was blooming with flames. The whole person was like a fire man!

Huo Dong's body was suspended in the air, constantly welcoming the thunder tribulation, and the whole person was like a god of war!

On the other hand, David sat cross-legged on the ground, constantly bombarded by thunder. His clothes were shattered by thunder, and looked tattered and miserable!

In comparison, David couldn't compete with Huo Dong at all! But no one knows that Huo Dong is resisting the thunder tribulation, while David is using it!

The two are not on the same level at all! The one who

really can't be compared is Huo Dong!

It's just that David looks embarrassed!

Huo Dong looked down at David, and he was so happy when he saw David's embarrassed look!

With Huo Dong's induction, thunder tribulations kept coming towards David!

Huo Dong bombarded David with his own thunder tribulation!

David must not be able to withstand the thunder tribulation of the Mahayana realm!

David was already very happy when he saw Huo Dong inducing thunder tribulation to bombard him!

It happened that he could absorb the thunder tribulation of the Mahayana realm. The power of thunder and lightning in each thunder tribulation was inexhaustible!

Rumble...

Thunder tribulations kept flashing above David's head, and David closed his eyes slightly and did not move.

No one knew whether David was dead or alive, but under this intensity of thunder tribulation, the possibility of being able to survive was not very high!

After an unknown amount of time, the thunderstorm clouds above Huo Dong's head slowly dissipated!

In the sky, a divine light sprinkled down, and Huo Dong was bathed in that divine light!

"Breakthrough, my son has broken through..."

"Hahaha..."

"Awesome..."

When Huo Yuanting saw the divine light, he knew that Huo Dong had passed the thunderstorm!

This is the scene of ascending to the Mahayana realm!

A palm-sized golden Dao heart kept flashing in front of Huo Dong's chest!

This is the most obvious sign of a breakthrough to the Mahayana realm!

Huo Dong has a Dao heart, which is different from other ordinary cultivators.

Above the Crossing Tribulation Realm, it can also be called the ladder to heaven.

After the Mahayana realm is the Immortal Transformation. At this time, the cultivator is already considered immortal, and just needs to wait to ascend to the heaven! The

Crossing Tribulation Realm is a hurdle. Many cultivators are stuck in the Crossing Tribulation Realm, and breaking through to the Mahayana realm is difficult!

Chapter 4072

Especially those who rely on their own practice, their own comprehension, and then suddenly break through to the Mahayana realm, there are very few of them!

Nowadays, many people rely on some kind of magic tools and treasures as an opportunity to trigger the thunder tribulation and break through the last bit of Platycodon!

However, compared with the Mahayana cultivators who rely on their own sudden enlightenment to break through, the Mahayana cultivators who break through with the external factors of magic tools and treasures are slightly inferior to the Mahayana cultivators who break through with their own sudden enlightenment, whether in terms of comprehension of the skills or practice!

Seeing Huo Dong break through to the Mahayana realm, the people of the old sect master's lineage all looked extremely ugly!

Now that Huo Dong has broken through, the difference in strength between the two sides is even greater! *M.VoD* *W.LAA*t

this time, David was still being bombarded by thunder tribulations. He didn't know how many thunder tribulations he had suffered. David was motionless, and his body even had a burnt smell!

Huo Dong looked down at David and snorted disdainfully: "I was going to kill you myself, but it seems that I won't have to..."

Huo Yuanting also sneered at David, not to mention how proud he was!

His son broke through to the Mahayana realm, he became the leader of the Purple Flame Sect, and the Divine Fire Seal was still in his hands!

The most important thing is that David is also dead, and the Hundred Years of Offering of the Demon Sealing League is about to be obtained!

Everyone was laughing at David, but no one thought that David had only broken through to the fifth level of the Tribulation Realm, but this thunder tribulation was much stronger than Huo Dong's Mahayana realm thunder tribulation!

Huo Dong's thunder tribulation ended early, but David's thunder tribulation was still bombarding. What this meant, you don't need to think about it!

"Seventy-eight..."

"Seventy-nine..."

The old sect master had not spoken all the time, and was counting silently in his heart!

"Father, what are you counting?" Zhu Ling asked!

"Thunder tribulation, David suffered eighty-one thunder tribulations, which is more and more fierce than the thunder tribulations of the Mahayana realm!"

The old sect master said lightly!

After the eighty-first thunder tribulation, the thunder tribulation cloud above David's head also dissipated!

The golden light appeared in the sky, and directly covering a distance of a hundred feet in radius!

"This....."

Feeling the golden light, Huo Dong was a little dazed!

You know, this golden light is much more intense than the divine light when he just broke through!

Others felt the dazzling golden light and were also shocked!

David, who was originally sitting cross-legged, has now stood up, his body suspended in the air, bathing in the golden light!

The skin that was a little charred just now is now emitting golden light!

It's just that the torn clothes make David look a little embarrassed!

Especially in front of Zhu Ling and Qian Xiu, after all, the two are girls, and seeing David like that, they blushed a little!

"Brother, can you lend me a piece of clothing to cover it?"

David looked at Wei Qing and asked!

"Of course, but this formation is blocking it, how can I give it to you?"

Wei Qing took off his long gown and asked David!

David looked at the blood-colored chain that went straight to the cloud, his eyes full of disdain, stretched out his hand and grabbed the blood-colored chain directly, and with a slight force, the entire blood-refining cage formation began to shake!

In just a moment, the formation was broken, and those blood-colored chains also shattered and disappeared!

You must know that David did not break the formation through the eye of the formation, but broke it with brute force!

This way of breaking the formation is many times more difficult!

But in David's eyes, it was so easy!

No one understands that David has only improved a small realm, why does it look like his strength has improved a lot!

Especially the kind of aura on his body, which is directly breathtaking, and is even more awesome than Huo Dongrong's ascension to the Mahayana realm!

Gu Tianchao looked at the formation that he had worked so hard on, and it was broken when David shook it casually. For a time, he was so scared that his legs were weak and his pants were wet!

"Little Junior Brother is awesome, I'll give you clothes..."

Wei Qing yelled excitedly and threw the clothes to David!

Chapter 4073

David wrapped his clothes around himself and looked at Huo Dong coldly!

The old sect master said excitedly: "Hahaha, this kid is really gifted. He is at the fifth level of the Tribulation Realm, but his aura seems to be no worse than Huo Dong. No wonder he refused to run for his life!"

"Now the formation has been easily broken. If he wants to leave, who can stop him?"

"It's really powerful..." Zhu Ling looked at David with tenderness in her eyes!

"Daughter, such a good man is not easy to find in the entire world of heaven and man. You have to grasp it yourself!"

The old sect master said to Zhu Ling!

"Father, in fact, I have already been his person..."

Zhu Ling blushed!

"What?" The old sect master was stunned and looked at Zhu Ling: "Have you slept with David?"

"No, but he has seen me naked a long time ago, and I can't look for other men."

Zhu Ling now recalled the moment when she was seen naked by David, and she was actually very excited!

“Haha, it seems that this is a match made by God. I am relieved that you can find such a good man!”

The old sect master laughed!

David didn't know at this time that the old sect master and his daughter had decided his lifelong event while talking!

“Do you have any tricks? If not, then I won't play with you!”

David sneered at Huo Dong!

Huo Dong's face was uglier than eating shit at this time!

Originally thought that he had broken through the tribulation and ascended to the Mahayana realm, it would be easy to deal with David!

But now, David has only been promoted to the fifth level of the Crossing Tribulation Realm. Whether it is the thunder tribulation or the divine light emitted from behind, they are much stronger than him!

Huo Dong no longer has the confidence he just had!

But he will not admit defeat easily. After all, there is such a big gap in realm. If Huo Dong admits defeat, he will not be able to stay in the Heavenly Realm in the future!

“I have many means...”

Huo Dong burst out with a black aura, and the aura at this time was obviously much stronger than the aura of breakthrough!

The breakthrough of the great realm, the strength is geometrically increased!

The black aura condensed into a sharp long knife, and then chopped it down towards David!

Huo Dong burst out with all his strength!

“Go to hell...”

Huo Dong roared, his expression was extremely ferocious!

He was already a Mahayana cultivator, but he was bullied by the fifth level of the Tribulation Realm, and in front of so many people, it was too shameful!

The black long knife cut through the void, and Huo Dong's Mahayana cultivation broke out at this moment!

Because there was no formation to block it, this terrifying knife directly filled the sky above the entire Zi Yanmen with a coercive force!

Many Zi Yanmen disciples with low strength could not bear it and fled to the distance.

The old master and Huo Yuanting attacked at the same time, forming a shield to resist the terrifying pressure!

"Father, my junior brother..."

Zhu Ling felt Huo Dong's knife and became a little worried!

"Don't worry, David will be fine." The old master was already confident at this time!

When the terrifying knife reached David, David sneered!

There was a flash of white light, and no one saw how David made the move!

But the long knife condensed by the black mist dissipated in an instant!

"You..." Huo Dong was shocked to see that David broke his attack so easily!

At this time, Huo Dong's face changed drastically, and a sense of crisis surged in his heart!

This was his strongest attack, but David broke it so easily!

"Son, retreat, retreat quickly..."

Huo Yuanting also saw the problem at the same time, and hurriedly shouted!

Huo Dong's body retreated rapidly. Without the obstruction of the formation, Huo Dong's body fled into the distance like a meteor!

Puff!

But David made a move, and the Dragon Slaying Sword in his hand came out, and the sword light was extremely fast!

Chapter 4074

It penetrated Huo Dong's body directly and cut off one of Huo Dong's arms!

Huo Dong staggered and fell from midair!

At the moment Huo Dong fell, David took advantage of the situation and chopped it again. A white light flashed again, and one of Huo Dong's legs was also cut off directly!

Huo Dong's body fell to the ground. He couldn't stand up and sat directly on the ground!
M.VodTW.LA Looking

at Huo Dong's embarrassed appearance, David walked towards Huo Dong step by step!

"Son..."

Huo Yuanting roared and wanted to make a move, but the old master took the lead in blocking Huo Yuanting.

The others were staring blankly. At this time, everyone was watching!

"David, don't think I lost. I still have the Divine Fire Seal. I want you to die..."

Huo Dong roared, and the fire breath in his body was constantly input into the Divine Fire Seal!

The Divine Fire Seal burst out with a shocking aura of fire, and this aura of fire already enveloped the entire Purple Flame Sect!

Even the old sect master and people like Huo Yuanting could not bear it!

The world was engulfed in flames, and this aura of fire was even more fierce than the aura of fire on the Divine Fire Mountain!

"Son, what are you going to do, what are you going to do? Stop it!"

Huo Yuanting shouted in shock!

He was not worried about Huo Dong, but about the Divine Fire Seal in Huo Dong's hand!

Huo Dong was going to explode the Divine Fire Seal directly and let everyone die with him!

The old sect master was also shocked at this moment. He did not expect Huo Dong to be so crazy that he wanted the entire Purple Flame Sect to be buried with him!

“Retreat, everyone retreat quickly...”

The old sect master took the lead and flew into the sky, shouting loudly!

Everyone fled to the distance to avoid this terrifying aura of fire!

Zhu Ling looked at David and was unwilling to leave. She shouted to David: “Little Junior Brother, hurry up, hurry up, Huo Dong wants to detonate the Divine Fire Seal and die together...”

But David seemed not to hear her and did not move. Don't move!

“Sister, let's go, it's too late...”

Wei Qing pulled Zhu Ling and ran back desperately!

Everyone fled from Zi Yanmen and stood in the distance watching quietly. The entire Zi Yanmen was wrapped in the breath of fire!

David stared at the crazy Huo Dong, his face was terribly calm!

“Aren't you afraid of death?”

Huo Dong saw that David was not running away or afraid, and asked very strangely!

“Why should I be afraid? I can't die at all, what am I afraid of...”

David smiled faintly!

“I know you have the True Fire Dharma Body and are not afraid of the fire, but if this Divine Fire Seal is detonated, it will be useless even if you have any Dharma Body.”

“By then, the entire Zi Yanmen will no longer exist, and we will all become dust.”

Huo Dong said grimly!

“No, the Divine Fire Seal can't explode at all!” David said!

“Why?” Huo Dong was stunned!

“Because your Divine Fire Seal is just an empty shell, the real Divine Fire Seal's seal soul is here with me!”

After David said, he gently opened his palm, and the seal soul was beating in David's palm!

"Seal soul? Why have I never heard of it?"

Huo Dong was dumbfounded!

"There are so many things you haven't heard of. Do you have to know them all?"

After David finished speaking, the seal soul in his palm jumped directly into the air!

A wonderful suction force directly sucked Huo Dong's Divine Fire Seal over!

Then the seal soul began to merge with the Divine Fire Seal!

Seeing this, Huo Dong tried desperately to stop it, but he found that his connection with the Divine Fire Seal was gone!

This time, Huo Dong panicked, because he found that what David said was actually true!

With the fusion of the seal soul and the Divine Fire Seal, the entire Divine Fire Seal has been controlled by David!

David waved his hand, and the Divine Fire Seal returned to David's hand!

At the same time, the terrifying flame aura of the Purple Flame Sect disappeared in an instant, as if nothing had happened!

Chapter 4075

Seeing the sudden disappearance of the flame, everyone was stunned, not knowing what had happened!

When everyone got closer, they found that somehow the Divine Fire Seal had fallen into David's hands!

You know, it's not easy for the Divine Fire Seal to recognize its master, and not everyone can let the Divine Fire Seal recognize its master!

Now that the Divine Fire Seal is in David's hands, it proves that the Divine Fire Seal has recognized David as its master!

How could the Divine Fire Seal go from Huo Dong to David in such a short time?

No one knows what happened!

Everyone looked at David in disbelief! Huo

Yuanting was even more shocked and said, "Son, what's going on? How did the Divine Fire Seal fall into his hands?"

Huo Dong said nothing, and he was already dumbfounded. At this moment, fear was already revealed in his eyes!

Once a person's heart is occupied by fear, he is completely finished!

"David, I lost, I lost, please spare my life..."

Huo Dong was actually begging for mercy from David!

Huo Dong's sudden begging for mercy made everyone confused, not understanding what Huo Dong had just experienced.

Even Huo Yuanting did not expect that his son would actually beg for mercy!

"Spare your life?"

David had a playful look on his face, and the Divine Fire Seal in his hand suddenly burst into a breath of flame!

Boom!

Huo Dong's body was immediately wrapped in flames, and screams came out of Huo Dong's mouth!

It only took a moment for Huo Dong to be burned to ashes!

Huo Yuanting didn't have time to rescue him!

There was silence at the scene!

Huo Dong, who was in the Mahayana realm, was begged for mercy by David, a fifth-grade cultivator in the Tribulation Realm, and was finally burned to death!

If someone had told them before that a fifth-grade cultivator in the Tribulation Realm could beat a Mahayana cultivator, they would definitely not believe it, and would scold the person to death!

But now, he...They all believed it, because they saw it with their own eyes!

Huo Yuanting looked at Huo Dong who had turned into ashes, and his expression froze, his body trembling slightly!

The others also opened their mouths wide, shocked!

“Son, my son...”

Huo Yuanting roared.

Boom boom...

pieces of red clouds in the sky began to condense!

Accompanied by a terrifying flame and thunder, it suddenly fell and headed straight for David!

“David, be careful...”

Seeing this, the old master jumped up!

He had been on guard against Huo Yuanting for a long time. This guy would definitely be furious when he saw his son dead! The

old master hung above David’s head, and a breath burst out of his body, forming a terrible defensive shield!

This Huo Yuanting is also a master of the Mahayana realm, but he is not comparable

to Huo Dong who has just been promoted to the Mahayana realm! David will definitely not be able to withstand this guy’s attack!

What’s more, David has just been through a big battle and has no time to rest!

The old master gritted his teeth and resisted the terrifying flame and thunder!

Although the old sect master’s strength is not weaker than Huo Yuanting, it’s a pity that the old sect master’s consciousness is damaged and has not been fully recovered, so his strength cannot be fully erupted!

David looked up at the old sect master who was struggling to help him resist, and he dared to move in his heart!

“Old sect master, you don’t have to help me resist. Even if I don’t move, Huo Yuanting can’t do anything to me.”

After David finished speaking, the Divine Fire Seal in his hand instantly burst into a sky-high firework!

The fireworks instantly defeated the flames and thunder, and they were not at the same level at all!

The old sect master and Huo Yuanting looked at David in shock!

You know, they have all used the Divine Fire Seal, and they are also clear about how powerful the Divine Fire Seal can burst

out! But the sky-high firework just now should not be erupted by the Divine Fire Seal!
