

# An Understated Dominance

## Chapter 2419

Chapter 2419

Sawyer was defeated. He completely lost his will to fight after using all of his lifespan and strength to launch his strongest attack, which Briggs easily broke.

On the one hand, his body couldn't bear it, and he was seriously injured and exhausted.

However, Briggs's incomprehensibility scared him.

Although Briggs was young, his cultivation was ten times stronger than Sawyer's.

Even with all his skills, he couldn't hurt the opponent.

It was an unattainable feeling of despair.

Not to mention that he had no fighting power now; even in his prime, he had no confidence to fight anymore.

"Player No. 5 admits defeat; player No. 19 wins!"

After hearing Sawyer's words, the referee quickly announced the final result.

The whole scene was filled with wailing. There were also many curses and insults.

"D\*mn it! What a rubbish ascetic monk! He can't even handle a lovely boy; what a disgrace!"

"Master Sawyer? I think he is nothing! "Just a name; no skills; rubbish!"

"F\*ck you! You made me lose everything! Why don't you just die?"

"..."

Some g\*mbler's who lost their bets were filled with righteous indignation and kept shouting and cursing.

They thought Sawyer could easily win, so they all bet heavily, and some even bet their entire fortunes, intending to take this opportunity to make a comeback.

At the beginning, the situation was pretty good. Unexpectedly, Sawyer became weaker and weaker as the fight went on. In the end, not only did he not hurt his opponent at all, but he also exhausted himself.

What a waste!

If they had known that Sawyer was a weakling, they would not have bet on anything.

Regrettably, it was too late to undo it, and they could only express their anger with a few profanities.

"I didn't expect that it was really Mr. Ethier who won. Dr. Rhys's vision is really good."

Noemi smiled and received praise from the audience.

From the beginning to the end, she had doubted more than once whether Briggs could do it.

After all, the strength shown by Sawyer was not ordinary; it was comparable to that of a martial arts master.

But the strange thing was that no matter how Sawyer attacked, no matter how hard he tried, he could never do anything to Briggs.

Ultimately, he had to concede defeat.
