

## 74. Jealousy

“Go fetch” evelyn shouted as she threw the ball. All three dogs ran behind it, they were playing in the garden.

Storms were having a meeting in their study room.

“The shipment will take only few days” a guy in his late early thirties said. Noah nodded “good” he replied.

They were still talking when that guy’s gaze fell behind the storms. There was a huge glass window through which he noticed a beautiful girl.

She was running behind the dogs. The trio noticed his gaze and turned around. Elijah smiled warmly when he spotted his babygirl. Her bright yellow dress was flowing here and there with her movements.

Suddenly elijah’s smile dropped when he realized, that fucker was staring at their wife.

The trio’s heads snapped towards that guy, he was still staring at evelyn. Evelyn giggled when duke jumped on top of her and licked her face.

“How about some drinks?” ace said with a smile. That guy came out of his thoughts “sure” he mumbled. Ace stood up and walked towards the bar. He opened a bottle of scotch and maniacally poured it in the glass.

Noah and elijah were glaring at that man but he was completely oblivious to their stare and kept staring at evelyn. Her smooth milky legs were exposed, she laid on the grass as the dogs licked her face.

“Beautiful right?” Ace said as he came back with a glass in his hands. That man looked at him and smiled. He slowly nodded “indeed” he breathed. “Don’t mind me asking but who’s she?” he asked.

Ace’s hands clutched the glass tightly, it was ready to break any moment. Noah smirked “you want to know who she is?” he asked. “Yeah” that man replied instantly.

Elijah got up from his chair. He folded his sleeves up and walked behind that man.

The sound of drawer opening came. That man raised a brow in confusion.

Elijah came back with a dark look. He stood behind that man. He gripped his hair, that man gasped at the sudden action “bitch! she is our wife!” he roared and in one swift motion slit his throat.

His blood splattered on the table, his body shake in pain as he fell from the chair. Elijah made a medium cut to make him feel more pain.

The trio glared at his body and slowly all of this movements stopped.

“Next time all the meeting will be in our office” Noah mumbled sipping the scotch. Ace and elijah nodded.

Their heads turned when they heard a loud laugh. The trio smiled when they saw evelyn laughing as she watched the dogs rolling on top of each other.

Elijah placed his bloodied hand on the glass window. “She’s so beautiful!” he whispered and traced his hand down on the window as she moved around, he smeared all the blood on the glass.

-----

“Such a good boy” evelyn cooed at max and kissed his furry head. “Mrs. Storm” thomas came. She turned towards him “yes” she said. “Masters wants to see you, they’re waiting for you in their study room” he said. “Ok” she replied. Thomas bowed and left.

Evelyn looked down at her dogs. “I’ve to go” she said. Rick whined and took the end of her dress in his mouth. He tugged on it, stopping her from leaving.

“I’ll be back in few minutes sweetheart” she said kissing his nose. He reluctantly left her dress and barked. She smiled and patted their heads.

Evelyn knocked on the door of their study room “come in” came ace’s voice. She entered inside and found the brothers waiting for her.

Storms looked at her and smiled. Noah motioned from her to come close. Evelyn walked towards them.

Noah extended his hand, she gave her hand in his. Evelyn gasped lightly when he pulled her in his lap. He adjusted her a little and was now cradling her. Ace and elijah scooted closer to her.

Evelyn stared at them “you’re looking beautiful my love” elijah cooed at her. She looked down. That’s how they always started the conversations with her, telling her how beautiful she was, how she was their queen.

And everytime evelyn couldn’t help but blush. “Thank you” she mumbled. Her hands played with noah’s suit jacket on his chest.

Elijah intertwined his big fingers with her small ones. He kissed them.

Ace removed her hair from her neck, he placed a soft kiss there making evelyn shiver. Noah placed a finger under her chin and made her look at him.

He brought his face close to hers and captured her lips for a gentle kiss. He cupped her face as he nibbled on her lower lip.

Suddenly she placed her hands on his chest and started to push him. Noah growled, thinking she is rejecting him.

He broke the kiss and glared at her. Evelyn gulped “don’t you have a meeting?” she asked scared that their client might see them like this.

The trio smiled “he left” ace whispered in her ear from behind. Evelyn tilted her head in confusion “but chase said that the meeting will be really long” she asked.

Elijah kissed her cheek “we wanted to spend time with you” he said. Evelyn bit her lower lip.

“Don’t do that, not right now” noah warned, he led his finger and made her release her lower lip in between of her teeth.

He smirked looking at her face as she blushed hard.

“Um so you three are free?” she asked. “For you we’re always free amore” ace cooed. Evelyn smiled “wanna play with the dogs?” she chirped.

Elijah chuckled “whatever you say” he said. “Lets go than” she cheered and practically jumped away from noah’s lap.

In her excitement she didn’t noticed the glass window which was coated in blood.

Evelyn sat on the grass with the storms surrounding her. She gave the dogs their treats.

Her back was resting on elijah’s chest. Oh how much they loved this. Holding her in their arms, breathing in her scent. Storms wished to stay like this, for forever.

-----

Claire stood under the hot shower. Her dyed silver hair were clinging to her wet body. Her obsession with the storms was growing minute by minute.

Her mind was telling her to do so many ‘things’ with evelyn but somehow she was controlling herself. Her sanity was screaming at her to restrain herself.

She stood in front of mirror and combed her wet hair. She opened her closet. Claire’s wardrobe was filled with dull colours but there was one light pink dress which stood out.

She picked up that dress and walked towards the mirror again. She knew storms got angry on her but she was pretty sure they were just in a bad mood.

She wore that dress.

She did her makeup and then picked up her purse with a smile.

-----

Evelyn closed her book as the class finished. It was lunch time. “I’m really hungry” ash said who was sitting beside her. “Me too” she replied.

They both stood up, jacob and marcus also stood up. Together all of them walked out of the class, suddenly marcus’s phone rang. He picked it up.

“Sir” he said.

“Yes sir” he said and forwarded his phone towards evelyn. “Mr. Storm is on the phone” he said.

Evelyn nodded and took it “hello-” “why weren’t you picking our calls?” noah’s worried and angry voice came. Evelyn’s eyes widened, she checked her bag’s pocket and found her phone.

57 missed calls

“I’m sorry, it was silent” she said biting her lower lip. She heard ace and elijah groan in frustration through the phone. They were on speaker. “Baby, we were worried” elijah mumbled.

“Sorry” she said. Evelyn knew storms easily gets worried for her. “We want to have lunch with you” ace demanded. “But I’ve classes-” “its your lunchtime babygirl and our driver will drop you back in time” noah said.

“Um okay” she said. The trio smiled widely “we’ll be waiting for you” elijah said excitedly.

Evelyn smiled and cut the call.

She handed the phone back to marcus “they want me to have lunch with them” she said to ash. He smiled “I’m glad that you guys are happy together” he said. Evelyn smiled, it was true. From past few days everything was fine.

“I’ve to go” she said. They nodded. “We are also coming” said jacob. “Don’t worry, their driver is coming to pick me up” she said assuring the twins. They both looked at each other and nodded “ok” marcus said.

-----

Claire knocked on the trio’s door. “Come in” came elijah’s voice. She entered inside wearing that beautiful dress.

“The files you asked sirs” she chirped. Noah looked up at her “hm” he mumbled. Ace and elijah were busy on their laptops.

She smiled and seductively walked towards them. She placed the stack of files on the table. She picked up a black file and bent down in front of elijah giving him a clear view of her cleavage.

“The new project’s file” she purred. Elijah looked up at her for a second and then again looked down “place it over there” he grumbled.

Claire frowned. She placed the file on his desk and looked at the storms who weren’t even noticing her.

She smirked and pulled up her dress a little more making it even more shorter. She stood in front of them crossing her long legs “anything else sirs” she asked biting her lower lip.

Suddenly there was a knock on their door. The trio’s head snapped up. Elijah stood up from his seat and opened the door. Claire raised a brow not understanding why elijah himself was opening the door for someone.

The door opened and claire’s face twisted in hatred. Evelyn’s face came into her view, who was looking like a doll.

Elijah hugged her tightly “I missed you” he whispered. Evelyn giggled “we were together just few hours ago” she replied.

He pouted playfully “exactly, HOURS AGO” he said dramatically. Noah and ace also stood beside her.

Ace squeezed her ass cheeks, she shivered. “You made daddy worried little girl when you didn’t picked up our calls” he growled in her ear.

“S-Sorry” she mumbled biting her lip. Their eyes darkened. They completely forgot about claire who was burning in jealousy.

She cleared her throat. Storms looked at her. Evelyn’s cheeks turned red in embarrassment when she realized claire was also there.

“You’re dismissed and cancel all our meetings. We’re having lunch with our wife and we don’t want any disturbance” noah ordered.

“But sir our clients from germany are about to arrive, its an important meeting” she said, claire mentally smirked thinking storms will send evelyn back now.

“Reschedule that meeting” ace said. “B-But sir they’re our really important clients and they are specially coming to london in front of this meet.” “then tell them to go back, now get out” elijah growled. He was ready to murder her at any moment.

Evelyn gulped in fear. She quietly held elijah’s hand. He sighed at her touch. “Leave” noah said. Claire nodded but her gaze was fixed on elijah and evelyn’s joined hands. She left in anger.

“Fucking bitch.” “hey!” evelyn cut ace off and slapped his arm. “Don’t say like that, she was only doing her job” she said. Ace smiled “sorry” he said.

“You must be hungry” noah said. Evelyn nodded her head. To her confusion they started to take her to the terrace. Noah opened the glass doors.

Evelyn saw a beautiful table in the middle. “Come” ace said. They settled on the chair. “Its beautiful” evelyn said. They smiled.

A man entered inside and served the dishes in front of them. “Thank you” evelyn said politely. He bowed at her, storms didn’t even bothered to look at him. That man left.

“Why are you always thanking people, this is their job” ace said. Evelyn smiled “what is wrong in it. Instead of being rude and hurting someone’s feeling, why not just be kind?” she replied.

Storms smiled at her. That man came again and served wine to the trio. “Thank you” the brothers said in unison.

Evelyn smiled but on the other hand that man’s eyes widened.

“W-Welcome sir” he said and left still not believing what he just heard.

“What?” noah asked when he saw evelyn staring at them with a smile. She shake her head “nothing” she mumbled and picked up her spoon and started to eat, that smile never leaving her face.

-----

“I need to go back, I’ve classes” evelyn mumbled as elijah cradled her in his arms. They were inside trio’s office, after finishing their lunch evelyn started to feel sleepy.

Noah was playing with her hair, ace ran his fingers over her bare arm.

“Stay” noah demanded. “I’ve only one class left after that I’ll come back” she reassured them.

Ace groaned not liking it.

Evelyn lifted her hand and ran her fingers through ace’s silky hair. He sighed, his head leaning more towards her touch.

“Fine” he mumbled. Evelyn smiled.

“I’ll call the driver to get the car, he’ll drop you to college” noah said, evelyn nodded.

Elijah was calmly resting his head on her shoulder.

Evelyn waited patiently. She picked up her bag pack and opened it. Storms watched as evelyn tried to find something from inside it.

“What happened baby?” noah asked. Evelyn huffed in frustration. “I had a chocolate inside it but I think I already ate it” she said.

They smiled. “We’ll get you one” said ace and made a call.

Claire was angrily typing on her laptop, its been almost an hour and storms didn’t came out of their office.

Her heart burned thinking what they would’ve been doing with evelyn.

Her phone went off. She looked down and her soured face turned into a happy ones. It was ace’s call.

She hurriedly picked it up “yes sir” she purred. “Get some chocolate bars in our office, quick” he said. “Chocolate bars?” she questioned.

The brothers never ordered something sweet for them, even their cooes were always without sugar.

“Yes” ace replied but claire heard some noises through the phone. “Stop” she heard someone’s loud laughing. It was evelyn. Elijah and noah were tickling her.

“Yeah, whom did you called a grumpy man?” claire heard noah’s voice, he sounded so happy! She never heard them this cheerful. “You’re a grumpy man” she heard evelyn say as she laughed uncontrollably.

Claire knew for a fact that if someone else would’ve talked to the storms like that they would’ve been dead by now.

“Oh yeah!” noah said and evelyn laughed even louder. It seemed like he was tickling her even more.

Claire clutched her phone tightly. Their laughs were like pieces of glasses which were stabbing her ears.

“Are you listening?” ace said. “Yes sir, I’ll bring them in your office” she said and ace cut the call.

Claire placed her phone on the table. She covered her face with her hands as multiple tears fell from her eyes. She couldn’t understand, why she couldn’t be in evelyn’s place.

Just why?

Evelyn swayed her legs as she looked outside from the window. The view was really beautiful.

The trio were doing their work but still they were keeping their hands in contact with evelyn’s.

There was a knock on the door. “Come in” noah said. Claire walked in.

Evelyn looked at her and smiled. Claire smiled back but there was something odd about it.

“Sir, chocolate bars” she said and placed four chocolates on the table.

Evelyn’s mouth watered looking at them. Ace picked them up, he smiled seeing his babygirl’s eyes glued to those bars.

“Here” he said and gave it to her. “Thank you” evelyn said politely to claire. “Your very welcome Mrs. Storm” she said smirking and left.

Claire was about to close their office door, she looked at evelyn and then down at those chocolate bars. She smiled and left.

-----

Evelyn put those bars on her bag pack. “You don’t wanna eat it right now” elijah asked. She shake her head “I’ll share it with ash” she said with a grin. They smiled.

They walked out of the storms building. The car was already waiting for evelyn outside. They stood close to the car “can we go out for dinner tonight?” noah asked holding her hand.

Evelyn stared at him, this was the first time they weren’t informing her but asking for her permission. She smiled and nodded “okay” she replied.

They smiled. She kissed their cheeks and sat inside the car.

The trio waved at her happily. She smiled and waved back.

Evelyn reached her college. She entered inside and found ash, jacob and marcus talking. “Hy” she said. “Hey” ash replied with a smile.

They walked towards their classroom. It was empty at that time since there was still some time left for the class.

“So how was your lunch?” ash said wiggling his eyebrows. Evelyn blushed a little “good” she replied quietly.

“Oh, I got you something” evelyn chirped and pulled out the chocolate bars.

She handed one to ash and other one to marcus and jacob. The twins smiled, she was really sweet.

“Thanks man, I really needed this” ash said opening the bar. Evelyn opened hers as well. They ate their chocolates as they talk about other stuff.

Jacob took the chocolate wrappers from evelyn and left to throw them. Ash also finished his bar. He played with the wrapper, a habit of his.

“My throat is getting sore” evelyn whispered to herself and pulled out her water bottle. Ash was folding the wrapper neatly when he saw something.

He read the ingredients part and suddenly his eyes widened. “What the fuck?” he mumbled. There were crushed peanuts in that chocolate.

“A-Ash” came a weak voice. His head snapped up “evelyn” he gasped and shot up from his seat. Marcus stood up too.

Evelyn was gasping for air, she was about to fall from her seat but marcus caught her.

“Evelyn” marcus called in worry. “What the fuck is going on?” he said getting scared. “Just read it, there were peanuts in that chocolate” ash stuttered, his eyes watered seeing her like that.

“Fuck” marcus mumbled realizing, evelyn has severe allergy from peanuts. Tears were falling from evelyn’s eyes in pain.

“Her epipen” marcus said “ash quick, check the le pocket of her bag” he said hurriedly. When the twins started college with evelyn, storms gave them strict instructions regarding her allergies.

The trio also told them that in case of emergency there will be an epipen in le pocket of evelyn’s bag pack.

He nodded. Evelyn was breathing heavily “you’ll be okay” marcus whispered in her ear.

Jacob came back, his eyes widened seeing evelyn lying in marcus’s arms. “What the hell happened?” he said and ran towards them.

“Evelyn” jacob said cupping her face. “There were fucking peanuts in that chocolate” marcus told him. “What?” he breathed.

Ash found the epipen. He ran back towards evelyn. Jacob took the pen from him and hurriedly injected it in her le thigh.

“We need to take her to the hospital” ash said in worry. The twins nodded immediately.

Jacob called the ambulance. Evelyn whimpered in pain. Her eyes were slowly closing, marcus cupped her face “no no, evelyn don’t close your eyes. You’ll be perfectly okay, just hold on please” he said getting restless.

The ambulance arrived. Evelyn was rushed to the emergency room. Her condition wasn’t looking good.

Ash and the twins were waiting outside the room. A nurse came. “We need some signatures on the form, are you patient’s family members?” a woman asked. “We’re her friends” ash said, his hands were still shaking in fear.

“I’m sorry then you can’t sign the form, we want patients guardians” she said. The twins looked at each other “we’ll call them” jacob said. “Please be quick” she said and left.

“We need to inform Mr. Storm” ash said scared. The twins gulped and slowly nodded.

One thing was clear to them that calling the storms meant death.
