

Alpha's curvy bullied human mate

Chapter 119: Lemon and Orange

Marianne

"Do you want us, mate?" they asked me as my hands moved closer and closer to their target, the warmth of their bodies was wonderful and the smell of each of them intensified.

Luke smelled like lemon leaves with a little bit of honey, and Luther smelled like oranges with peach. It was the best I had ever smelled in my entire life.

"Both of you ...always," I said with a sigh.

Soon I was out of bed and sitting on the couch watching them take their shorts off in front of me, I was so aroused again and felt the air come out of my lungs just at the sight of them.

My beautiful twins looked at me with desire as they had their mouths open, their skin glowing tanned, their dicks fully prepared for me as if they were waiting for me. The first time I saw them, I thought it was madness, I thought it was impossible that such men could exist.

"And you will always get what you want,"

They put me on my knees on the couch, while I put my hands on the backrest, Luke in front of me, Luther behind me.

I could already feel Luther's hands stroking my hair, my back, my ass and on my hips, massaging and resting his hand on my back, controlling my position as he always loved to do. My ass was in the air, my center at his disposal.

"The view I have, Luke..." said Luther.

"It's beautiful, I know..." Luke said, looking into my eyes and caressing my lips.

"Little Marianne... did you know that we bought this couch thinking about how you would look on it?" Luther whispers in my ear and I shiver.

"You planned to having me here?" I ask as I feel his hands massaging my feet, moving up my legs, pressing his hands on my ass, squeezing my buttocks and I moan.

"To be honest we thought any place and any situation...having you, taking you, fucking your precious little body," Luke says and I gasp.

"Good thing I'm not the only one who thinks about it all the time. My mates are so beautiful and sexy," I say, pulling Luke in for a kiss as I feel Luther bracing himself near my entrance.

"Open up more for my brother...little mate...more, more...like this, so he can be inside you," Luke said, his voice cracking as I felt his brother enter me deliciously.

We all moaned as Luther started to move more, and I held on to the back of the couch as Luke kissed and caressed my breasts.

"You're getting more and more luscious..." Luke said to me.

"Fuck! The way you take me..." Luther says moaning as I felt his hands grab my hips and go deeper and deeper into me.

I couldn't control my moans, gasps and screams as I had this big man behind me, penetrating me, working his large size all the way up my body. I still couldn't understand how my body could take it.

"Luther...more..." I moaned as he went deeper and deeper into me.

But of course I had his precious brother in front of me and I didn't want to leave him wanting, so as I kissed him I took his hardness between my hands and stroked him, feeling him throb.

"[Mate](#)..." he said, deeply aroused, and I felt him stiffen from my touch.

When I brought my tongue and lips closer and began to lick him, I knew I was pushing him to the limit.

"Marianne..." I heard him grunt, and the motion of Luther's thrusts helped keep the rhythm going as I brought my mouth to Luke's member, and we were all in a dance of absolute pleasure.

"You're perfect... Fuck!" cried Luther.

"Sweet Marianne..." Luke said as he looked down on me from above, watching me take him more and more in my mouth as he pushed my hair aside and caressed my face sweetly.

When Luther reached his fingers to that special spot between my legs, we all three came together with screams, grunts and gasps. My body felt like fireworks and I soon found myself in Luther's arms, who carried and rocked me.

"That was fantastic..." I say, satisfied.

Luke moved closer to me, kissing me, caressing my breasts and his hand went to my belly while Luther kissed my neck, right where his mark was, and gently patted my butt.

"Now to rest, mate...we need to take it easy..." Luke said, but I thought otherwise.

I was sitting on Luther's legs, feeling that the slightest movement of my butt would make him hard again, and already his hands were all over my breasts, as if he couldn't help it.

"Marianne...fuck," he cursed as I moved.

"Come on Luke..." I said to him and he growled.

Of course, we had done it several times, all three of us together at the same time. I was in awe of what my body could do, it was incredibly exciting and at the same time I didn't want to leave either of them out. I always wanted to love them both equally.

I knew they wouldn't be able to say no to me, I rubbed against Luther and by the way I heard him panting close to my ear and watching Luke get hard again, I knew I was getting what I wanted. I held out my hand for him to come.
